Whole Hearted

Heart & Stroke

SLA knocked it out of the park raising over \$2500.00 for the Heart & Stroke Foundation. Heart & Stroke is a leading funder of life-saving research, which has led to breakthroughs such as heart transplant surgery and a revolutionary stroke treatment that cuts the death rate by 50%! The threat of heart disease and stroke has never been more urgent. And it's amplified by our aging population, sedentary lifestyles, poor diets and more. Our Jump For Rope Campaign helps educate our students of the importance of healthy living and gives us a chance to make a difference in the community. Thank you Lynne, our Heart & Stroke Representative, for helping us kick off our campaign and visiting our school to communicate to SLA the importance of healthy life choices and being active.

Valentines For Vets

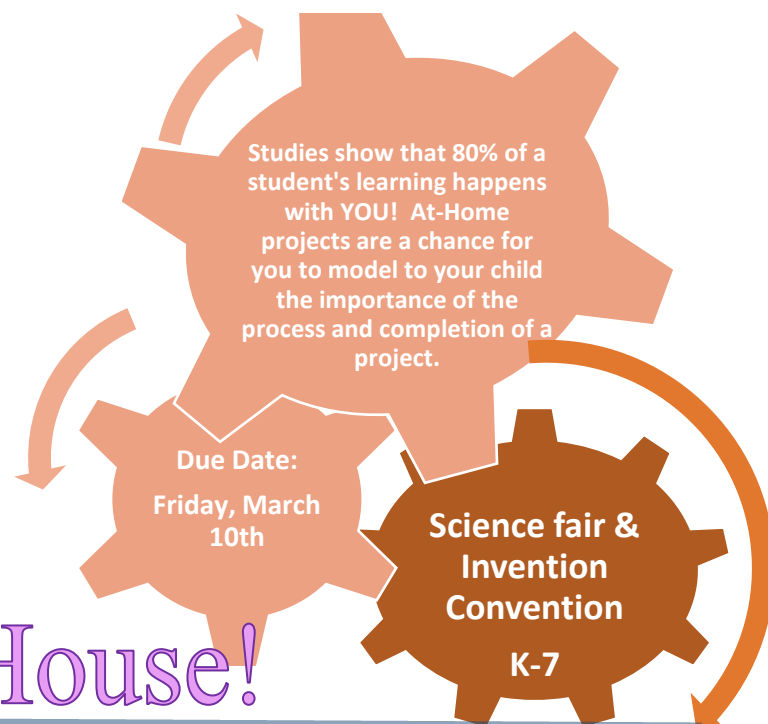

To complete the Valentines Day celebrations, SLA students showed their love for Canada's Veterans by creating over 240 Valentine's cards to be delivered to veterans living in retirement facilities around the country.

SLA Students celebrate reaching our lofty goal of \$2500.00 for Heart & Stroke Research

Thursday April 27th, 6:30pm

Food For All (and a little music too)

The St. Lawrence Academy's 7/8 Class have been honoured to be a part of the South Grenville Food For All Foodbank for many years now. Recently, we have been involved with the local fundraisers and dinners. Invited to be a part of the radio campaign on the Coast fm in Prescott, the 7/8 class made a trip to the local radio station to record their original song for the event. They then were invited to the Luncheon Gala to celebrate SLA's involvement where we also presented our song once more and "Soar" by Meredith Andrews. The turkey was delicious, but the friendships and experience even sweeter. The 7/8 class is ready to lend a hand once more at their annual Spring Auction serving the dinner and presenting Auction items as they are auctioned off. It is a privilege to be a part of this charity in Prescott. We hope that we can do more in the future.

Open House & Early Bird Deadline

COME AND SEE THE SCIENCE FAIR
PROJECTS & INVENTIONS ON

2017-18 SCHOOL YEAR
Thursday April 27th, 6:30pm!

A Sweep at Speeches!

If you weren't with us to witness the local speech competition last month – you missed unbelievable results at the Prescott Legion's 2017 Speech Competition! The St. Lawrence Academy swept away the competition with original, well-written and well-presented speeches!

Primary Level (Grades 1-3)

Junior Level (Grades 4-6)

Intermediate Level (Grade 7&8)

First Place: Benjamin Mussett (SLA) **Second Place:** Elizabeth Mussett (SLA) **First Place:** Anastasia Joannis (SLA)

Second Place: Evie Cameron (SLA) **Third Place:** Erin Chaters (SLA) **Second Place:** Madeleine Joannis (SLA)

Third Place: Chloe McCann (SLA)

Third Place: Luke Taylor (SLA)

We are excited to see Anastasia and Benjamin compete in the next level of competition at the Prescott Legion, March 11th! Congratulations to everyone!
