

# K&S Sanitation Service, Inc.

P.O. Box 493  
Newell, NC 28126

Phone: (704) 597-2664 Fax: (704) 597-1490

Dear Valued Customer,

**Please read this literature so you will not have the inconvenience of your trash NOT being removed.**

**To ensure your pickup:** Have your trash out the night before your service day no earlier than 6 p.m., **OR** no later than 6:30 a.m. on your service day. Make sure your trash is visible for our driver, properly covered and not overweight. **There is no set time for services rendered on your service day.**

**Our services include: unlimited refuse removal. This includes any additional bagged trash, as well as move-in boxes and bulky items.**

**Bulky items include:**

- **White goods** such as washing machines, dryers, refrigerators, stoves, etc.
- **Furniture** such as mattresses, box springs, couches, loveseats, etc.
- **Carpet:** not over 5 feet long, and not over weight. Over weight means excessive weight that takes more than one man to pick-up.

**WE DO NOT REMOVE YARD WASTE SUCH AS: Rocks and Dirt**

**K&S Sanitation Service, Inc. does not remove subcontractor's trash, building or remodeling materials. All subcontractors are responsible for the removal of their refuse.**

Please do not put any paint or liquids in your trash. We want to leave your property the way we found it.

**YOUR PICK-UP DAY IS: M \_\_\_ T \_\_\_ W \_\_\_ TH \_\_\_ F \_\_\_**

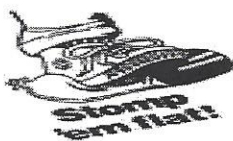

# K&S Sanitation Service, Inc.

## RECYCLING INSTRUCTIONS

CUSTOMER,

**RECYCLING IS OPTIONAL.** You do not have to separate your recyclables. **PLEASE NOTE: COAT HANGERS, STYROFOAM OF ANY TYPE, AND PLASTIC BAGS ARE NOT RECYCLABLE ITEMS.**

**1**

Remove the lids, crush plastic soft drink and milk jugs. This will help to conserve space inside of your recycle bin. (step on them)

**2**

All glass containers may be recycled.

Remember to rinse them out and remove the metal lids before placing the glass in the recycle bin.

**3**

Spiral paper cans are recyclable. These are the familiar snack and dry beverage containers. Remove the plastic or metal lid and rinse or wipe out any remaining food before placing it in the bin. Recyclable paper cans are round and have metal bottoms with spiral grooves on the inside.

**4**

Aluminum cans may be recycled.

Be sure to empty them before placing them in your bin. Steel or "tin" cans used to package a variety of foods are recyclable too. Rinse or wipe out any remaining food and drop the lid inside of larger ones to save space. **NO PAINT OR AEROSOL CANS.**

**5**

Newspapers and all inserts are recyclable, so are magazines and catalogues.

Place them in a paper bag or tie them up and place them **UNDER** your recycle bin. Place cardboard boxes underneath the recycle bin also, make sure they are **broken down and not over length of 3x3 feet.**

**6**

Don't feel that you have to recycle each week! Wait until your recycling bin is full before you place it at the curb for collection. **Remember**, your recycling collection is the same as your curbside trash day. Place your container at curbside, clearly apart from other trash, no later than 6:30 am on your service day.
