IFMA KANSAS CITY

BOOTH # 254

INTERNATIONAL FACILITY MANAGEMENT ASSOCIATION

Almost 30 years ago, Facility Managers in the Kansas City area needed a resource to share their experiences and learn from each other in managing the built environment so they formed the Kansas City Chapter of IFMA. ifmaKC has more than 200 members that continue to uphold the principles of our founding members, many of whom are still active in the chapter today. Professional, Associate (vendor), Student and Lifetime members are from all industries. We meet each month to discuss trending topics, tour facilities, and learn about new practices.

MGA

BOOTH # 252

MISSOURI GROWTH ASSOCIATION

Founded in 1985, the MGA has corporate members statewide. While membership is diverse, we are commonly impacted by policy decisions relating to the commercial real estate industry at both the state and local levels. Our membership includes property owners, brokers, managers, developers, and companies that provide essential services such as architects, engineers, general contractors, subcontractors, attorneys, and lenders, as well as a variety of industry consultants.

USGBC CENTRAL PLAINS

BOOTH # 258

U.S. GREEN BUILDING COUNCIL

At USGBC Central Plains, we believe in a sustainable future through green buildings. We empower organizations and professionals through our advocacy events, LEED workshops and training seminars.

Our members bring years of green building experience to the table and are actively engaged in regional eco-initiatives, including the rebuilding of Greensburg and the City Energy Project. Watch our Commerce Tower case study, which was developed in partnership with the City Energy Project.
