# Open-Minded

## Earth Day

## MAKING A MARK ON THE WORLD

Mayor Todd, the Mayor of the Town of Prescott, joined us to celebrate the Earth and all that we have learned in taking care of it. To commemorate the event, a tree was planted and a plaque engraved to mark the spot. Many thanks to the Fournier family and Stonemarx engraving for the beautiful memory marker. What a wonderful thing to see our kids hard work for years to come.

The children worked all day on Earth Day, first cleaning the yard of all trash and winter debris then spending the afternoon embellishing the Chalk Drawing created by Mrs. Hosick. A video was made of the day's events by Tony Hicks, 'The Camera Guy'. We are so thankful to our community friends.

# Open House a HUGE Success!

Thursday April 3rd was an exciting night for all involved. Mlle. Cloutier prepared the French classes to present a FANTASTIC show of La poule ma boule while Mrs. Hosick gave a little taste of what we had to look forward to in May's Lions Festival. The students were thrilled to show their parents each classroom and almost every family (including two new students) signed up for the coming year.

It was an electric night full of activity and enthusiasm. If you were not able to make it - be assured that we will be holding one again soon in the new school year. What a fantastic time to bring friends and family through our doors to share with them the magic that takes place in the halls and in the classrooms at SLA.

*Thank you to all of the teachers who supplied all snacks and beverages.*

SLA Junior Choir perform, "Simple Song" at the Open House

*Photo - Snapd Brockville  
Andy Wheeler*

*I was AMAZED at the quality of song choice, tone, harmony and posture, all of which was spoken about by the adjudicator. It was obvious that he was absolutely blown away by the performances.*

*The choice of songs was as he said, "Spot on in showing a varied repertoire."*

*Well done all. - SLA Parent*

## SLA Festival Gold!

On Monday April 28th and Wednesday, April 30th SLA proved triumphant winning more gold than ever before! After a stellar performance which showcased SLA student's choral abilities, their hard work and dedication resulted in four Golds, and two scores of ninety percent in the ensemble, choir and percussion categories at the Lions Music Festival. SLA students were praised for their breathing techniques, ability to use multiple tonal sounds and for their genuine love of performance and music. Mrs. Hosick must be commended for how much she has taught the students this year. The best part? "The stop for ice cream at The Coffee Shop on King Street to celebrate." - SLA Student
