Donate a Share and We will Match It.....Not everyone in our great state of Iowa has the fortune of being food secure. Thousands of families with children struggle to put food on the table, many of those families utilize area food banks to help to combat the struggle. That is why we have made a commitment to match dollar to dollar our CSA Share Members. You choose the amount and which organization will receive the donation and we will match your donation amount to that organization. Example, donate \$50 and we will deliver \$100 of fresh produce to the charity of your choice. Your donations are tax deductible, so you will receive a tax receipt once your donation is delivered.
