## QuickBooks Online Conversion Services

We are Certified Advanced QuickBooks Online ProAdvisors. We can convert your current accounting system to QuickBooks Online whether you keep your records in QuickBooks Desktop or a shoe box. QuickBooks Online offers many advantages including:

- Company data can be accessed from multiple platforms, PC or Mac
- Access to data from multiple devices, browser or tablet; QuickBooks Online mobile access is included with QuickBooks Online subscriptions at no additional cost
- Users can access data from anywhere at any time; users in different locations can easily work in the company at the same time – no reason to transfer files back and forth
- All the data is hosted, backed up and secured by Intuit’s servers using 128 bit encryption
- Attached supporting documents and transactional messaging allow for greater collaboration and centralization of information
- Automatically create invoices and send them to clients, including delayed customer charges for unbilled time and costs. Allow customers to pay invoices electronically (i.e. accept credit card payments)
- Comprehensive Audit Log and Activity Log track all changes made to the company data including login information, list changes and access by third-party apps
- Schedule reports to be emailed to anyone at regular intervals
- Further organize data with both class and location tracking; nomenclature can be selected for location
- Bank transactions are automatically downloaded nightly to the Banking Center
- Invite unlimited report reader and time tracker users in QuickBooks Online Plus
- Subscribe to and use Intuit-approved third-party apps from inside QuickBooks Online

If you subscribe to monthly or quarterly services, we will offer a 20% discount on QuickBooks Online conversion fees. Below is an estimated fee schedule to convert your records to QuickBooks Online if you currently use an electronic method of record keeping (i.e. QuickBooks desktop, Quicken, Excel or other software). If your record keeping is on paper documents, ledger books or the shoe box, additional fees will apply based on business years to convert and complexity of business.
