

# THE HOTTEST SKINCARE TRENDS THIS SPRING!

## FULL COVERAGE FOR A FLAWLESS FINISH

I CONCEAL Flawless Foundation is an all-in-one illuminating, correcting and water-resistant foundation. Hide imperfections with color match technology while Stem Cells and Botanical ingredients oxygenate and nourish the skin.

## NON SURGICAL FACELIFTS

The MAX Facial Cleanser is known as botox-in-a-bottle. This Stem Cell and Peptide infused cleanser uses revolutionary peptide Argireline to reduce facial wrinkles by inhibiting muscle contractions.

## ORGANIC & NATURAL SKINCARE

Ormedic Balancing Eye Lift Gel is a balancing, hydrating, and lifting eye gel with organic ingredients and medical effectiveness. Diminish fine lines, soothe tired eyes, and instantly hydrate while diminishing dark circles.

## ANTI-AGING PRODUCTS

Ageless Total Anti-Aging Serum has a unique cosmeceutical blend of AHA's, Stem Cell Technology, and Vectorize Technology™ to protect skin cells against oxidative stress and combat aging effects on the skin. Vectorize Technology™ delivers up to 100 treatments in a single application for unparalleled results.
