What We Believe

Calvary Christian School is an integral part of the ministry of Calvary Baptist Church. Therefore, the practices and teachings of this school reflect the Bible-based teachings of our church. We realize that several of our distinctives are quite controversial in the day in which we live and that people may disagree with us. We desire, however, to stand firm on the Word of God and remain separate from the world while at the same time reaching out to the lost.

- It is our conviction that Christians should be modest (not calling attention to oneself) in every area of life. This includes dress, behavior, and overall appearance.
- We expect our students to be above reproach with regard to decency, honesty, integrity, and morality.
- Parents and siblings of our students are considered part of the "CCS" family and are expected to respect the church/school testimony by dressing in modest apparel while on campus or attending school functions. This includes field trips and sports events.
- We believe that a loving Christian environment includes rules and discipline for misconduct. It is our responsibility as role-models to help guide each child to a closer walk with the Lord.
- The King James Version of the Bible is the only version that is allowed for teaching and memorization at CCS.
- Although we allow people of different denominations, we expect each student to comply cheerfully with the stand of the school. We will not permit any display of disagreement with the school's rules, standards, or beliefs.

I have read and understand CCS policy:
