Last Week's Run Report

**This weeks run report. Hare; Shaftsniffer
Yummy food; Concorde**

Location ; Quarantine Park (with some dissention)

News Flash ... ! Freo Hashers Caught Up In Quarantine ...!

From my very secret vantage point, I was able to observe the ridiculous goings on of this weeks Hash run. Sometimes, it is good to keep in the background :)

After the Hare gave run instructions (in a foreign language well who can ever understand Shaftyspeak ...) the pack sped off at the rate of NOTS ... As there was the promise of a drink stop with Tequilla's and dancing girls, the runners stepped it up a notch and got there really quick so when the walkers arrived, it was as dry as a bucket of water with no water in it ! SAD ... ! There were plenty of tears on the way back though, as evidenced by the damp footprints.

In the circle, the run was reluctantly voted a very good one. There was a lot of lively banter and I overheard the references to licking, sticking crashing, burning and Marie Antoinette ...(was too far away to hear properly and with not enough cover) I did however hear the squeal of joy as Slushy was iced ... (nearly popped the ear drums !) and the ramblings of Screwy as to directions for the venue (Blah... Blah ... Blah ...) Cock-Hat was most appropriately invoked ...)

By this time, I had to move further away so as food was served (by the dancing girls) I melted into the cold night (that was also relevant to the ice and Slushy's posterior)
