Location; Circle... Richmond Raceway park.

On On in Royal Malaysian Restaurant

700 Runs + 7 Deadly Sins = FUN FUN FUN

What a fabulous event this turned out to be ! The RA had organised the weather perfectly and all the organisation by D-Cell, GM, Cookie and the rest of the Cummittee went off ! Suffice it to say we ALL got off It was a great effort on the part of all who turned out dressed up in *sin - like* attire.

Gathering in the car park we were entertained with a list of the 7 Deadly Sins and found we had embraced the theme

The Hare set the runners and walkers off with the promise of * 3 * (Yes ... 3 !) drink stops to be found along the trail. There was no problem in keeping on or following trail as it was exceptionally well marked. and on arrival at Stop #1 there was much PRIDE/VANITY/ENVY thrown about ... that is ... makeup was expertly applied to willing participants (or mugs ! oh that is funny !!!) Of course the challenge was to have it applied from behind. After having some mulled whine it became quite a makeup muck-up Ha Ha

Stop #2 was brought to Hashers curtesy of SLOTH and 2 slothful assistants enticed all to sample *porridge* and shots which slithered down the gullet very slowly. Then a most un-slothful activity involving exerting oneself was initiated ... (*planking* which is actually very slow !)

Moving on to Stop #3 GREED/AVARICE, things were settled with the roll of a dice. Drinks were spicy and the GLUTTONY test was to eat jelly with chopsticks (believe it or not someone did it !!!)

The circle was called at this point with the nights activities being judged as highly sucessful (where was LUST I want to know ? Oh yes I know ...all you had to do is look around at the racy Hashers gear !)

There were winners from each challenge who got their bottles of RUM (as promised) and other goodies....and the usual suspects had down-downs. I even recall some heads being held up in the circle (something from the French Revolution? ... Nah just a bit of WRATH)

As this evenings event was run with high precision timing (thanks GM !) we had to cut short the circle and move on to another sumptuous repast (OH YEAH ... more GLUTTONY !)

Well done everyone
