

PROFESSIONAL HENNA BROW ARTIST

Henna Brow Artist

This is a natural alternative to other chemical dyes and is plant based making it an appealing option for colouring the brow and creating a more expressive brow. Henna also creates a better skin stain which gives a denser, fuller brow. You will learn a range of brow-grooming procedures, application of henna of the brows, to allow you to competently offer this in-demand treatment from home and/or mobile, creating a natural-looking arches and a defined brow shape for your clients.

Our Henna Brow Styling Course is designed to teach you one of the most popular beauty treatments currently offered within the industry.
