INTRODUCTION

At one time or another, each of us has encountered what one might call a "conspiracy theorist" warning us about a dark and sinister plot among global elites to take over the world. There seems to be one such character in every extended family, or in every workplace. You may have laughed and mocked such individuals as being "paranoid" or "gullible," but there is no denying their conviction and passion.

The New World Order -- which these "conspiracy theorists" insist is guiding world events -- can be defined as a multi-generational global conspiracy among many of the elites of central banking, media, politics, business, academia and Hollywood to gradually tear down the United States of America (*and all sovereign nations*) and impose a communistic / corporatist world government dictatorship in its place.

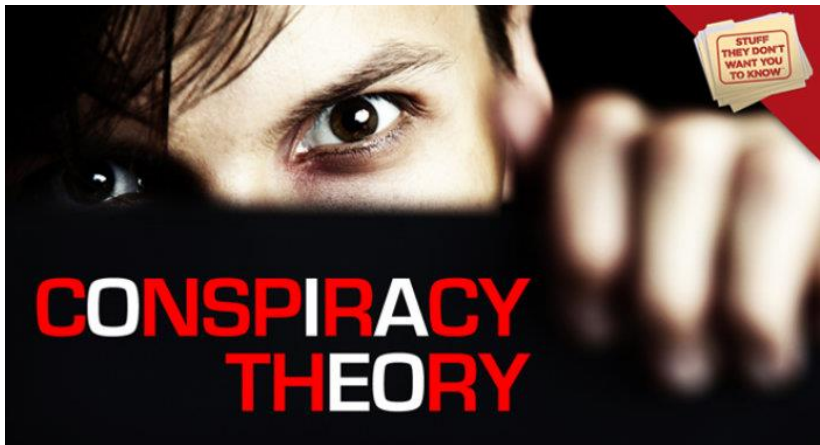

The elites of this Global Mafia are also referred to as “NWO” or “The Cabal” or “Globalists.” According to the “theory,” the legendary **Rothschild Family** has long been at the pinnacle of this movement which has been behind all the wars, social turmoil, terrorism, revolutions, racial strife and economic hardships that have plagued humanity for the past two hundred and fifty years.

The “conspiracy theorists” will suggest numerous books for you to read on the subject, as well as Internet videos for you to watch. But few will ever take the time to review the facts of the matter rationally because, after all, they think lovable “Uncle Charlie” is a bit crazy. On a deeper emotional level, perhaps the conspiracy-deniers are afraid that Uncle Charlie may be right?

But what if the existence of the centuries-old movement toward a One World utopia (*as some of its starry-eyed supporters describe it*) or a One World tyranny (*as its freedom-loving critics would describe it*) could be confirmed for you not by crazy Uncle Charlie; but rather, by the actual words of powerful and famous men and women from the world of politics, academia and journalism --- both pro-NWO and anti-NWO? Would that cause you to perk up your ears and listen? Logically speaking, it is no longer a

“conspiracy *theory*” if “they” actually admit it, right?

Digest this collection of actual, verifiable quotes. Think about them, and match them up against what you see going on in the world today. If the quotes stimulate your curiosity, then be sure to read **Planet Rothschild, Volumes 1 & 2** (*ordering instructions at end of pamphlet*). Maybe, “crazy” Uncle Charlie is on to something, after all?

What if he's right?

QUOTES IN FAVOR OF WORLD GOVERNMENT

THE GREAT SEAL OF THE U.S.

Look in your wallet for secret-society, one world symbolism!

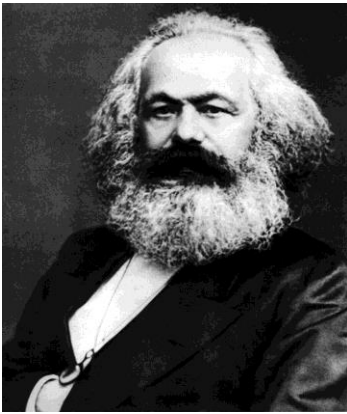

**Novus Order Seclorum = New Order for the
Ages**

E Pluribus Unum = Out of Many, One

KARL MARX / 1818-1883

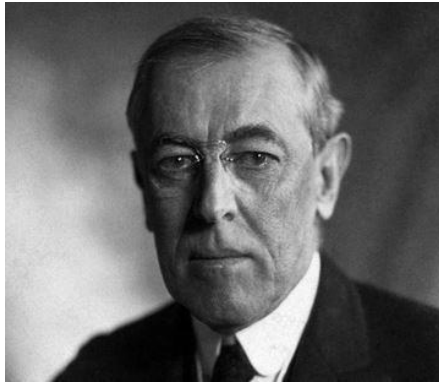

**Author of *The Communist Manifesto* / Idolized
by millions of “Marxists” / “Progressives”**

“Let the ruling classes tremble at a Communistic revolution. The proletarians have nothing to lose but their chains. They have a world to win. Workingmen of all countries unite!”

WOODROW WILSON / 1856-1924

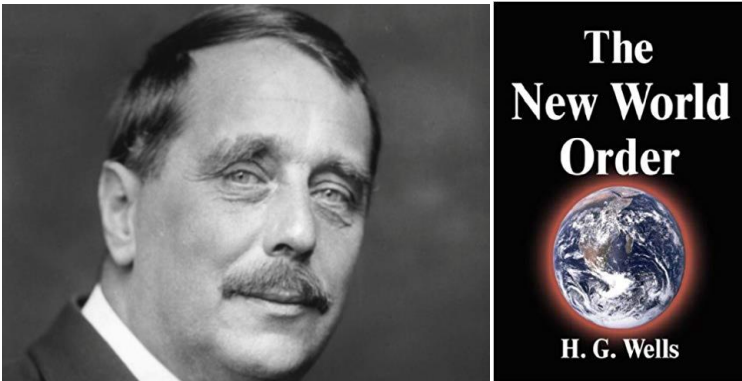

**The 28rd United States President / Misled
the American public unto World War I**

*“We believe that our own desire for a **new international order** under which reason and justice and the common interests of mankind shall prevail is the desire of enlightened men everywhere. Without that **new order** the world will be without peace and human life will lack tolerable conditions of existence and development. Having set our hand to the task of achieving it, we shall not turn back.”*

H. G. WELLS / 1866-1946

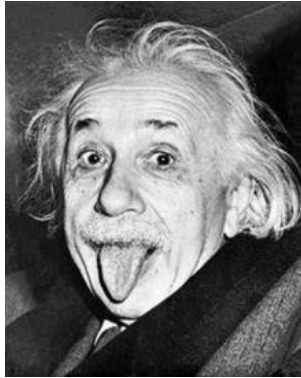

**British Writer & Novelist / Fabian Socialist
Society member / Author of War of the World,
The Time Machine, The Invisible Man, The
Open Conspiracy and The New World Order**

*“When the struggle seems to be drifting definitely towards a world social democracy, there may still be very great delays and disappointments before it becomes an efficient and beneficent **world system**. Countless people ... will hate the **new world order** ... and will die protesting against it. When we attempt to evaluate its promise, we have to bear in mind the distress of a generation or so of malcontents, many of them quite gallant and graceful-looking people.” -- The New World Order (1939).*

ALBERT EINSTEIN / 1879-1955

German-Jewish Theoretical Physicist

The New York Times

June 23rd, 1940

EINSTEIN PREDICTS AN ARMED LEAGUE

**Scientist Says Wilson's Work Will Be
Revived by Nations in a More Powerful Form**

"Woodrow Wilson's work will be created, in my opinion, in a more powerful form. Then only will the importance of this great innovator be fully recognized. A worldwide organization cannot

insure peace effectively unless it has control over the entire military power of its members."

And..

*"A **Federal organization of the nations** of the world is not only possible but an absolute necessity if the conditions on our planet are not to become unbearable for men. ... I am without any special attachment to any state or national entity whatsoever.*

*-- In my opinion the only salvation for civilization and the human race lies in the creation of a **world government**, with security of nations founded upon law."*

WENDELL WILLKIE / 1892-1944

Republican candidate for president, 1940

- “One World” was published in 1943 – It promoted “World Federalism”

WINSTON CHURCHILL / 1874-1965

British Prime Minister

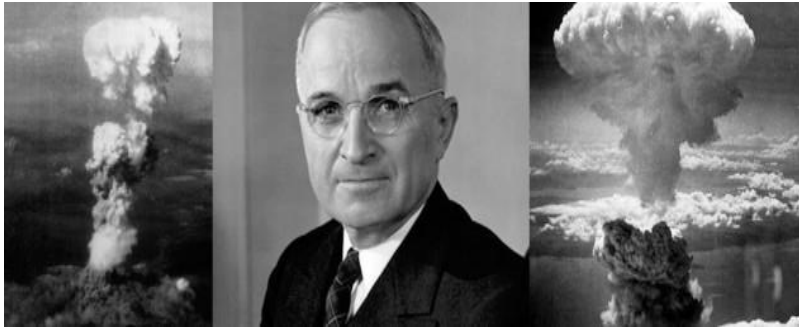

- Read **The British Mad Dog**, by M S King

*"We must recreate the European family in a regional structure called it may be the United States of Europe. ... This indispensable structure of regional groupings is coming into being. ... In this way alone, can the skeletal structure of **world government** be clothed with the flesh and blood of a living organism."*

HARRY S. TRUMAN / 1884-1972

**The 33rd United States President /
Authorized the atomic bombings of the
civilian population of Hiroshima and
Nagasaki, Japan**

*"We must make the United Nations continue to work, and to be a going concern, to see that difficulties between nations may be settled just as we settle difficulties between States here in the United States. When Kansas and Colorado fall out over the waters in the Arkansas River, they don't go to war over it; they go to the Supreme Court of the United States, and the matter is settled in a just and honorable way. There is not a difficulty in the whole world that cannot be settled in exactly the same way in **a world court**".*

JAMES WARBURG / 1896-1969

International Banker / son of Paul Warburg, the founder of the U.S. Federal Reserve Bank / advisor to President Franklin D. Roosevelt

*“We shall have world government, whether or not we like it. The question is only whether **world government** will be achieved by consent or by conquest.”*

International Banker James Warburg, speaking before a U.S. Senate Committee in 1950!

MILTON EISENHOWER

**Brother and Close Adviser of President
Dwight D. Eisenhower / University
President / UNESCO Activist**

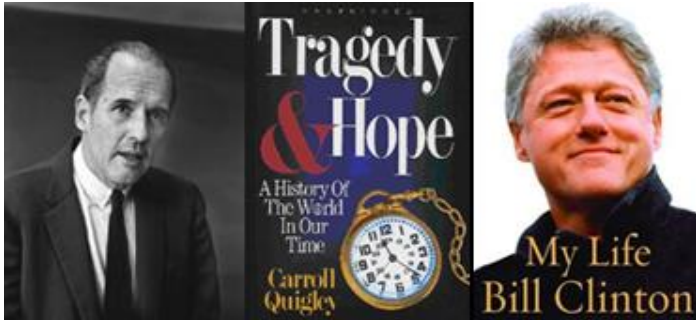

The Chicago Tribune / February 10, 1952

“Brother Milton a Worry to Aids of Eisenhower”

“In his UN service he (Milton Eisenhower) advocated a mighty UN military force as the sole means to peace, holding the force ‘should be larger than that of any member state or likely combination of member states.’”

CARROLL QUIGLEY / 1910-1977

Establishment Historian / Georgetown
Professor / Mentor to Bill Clinton

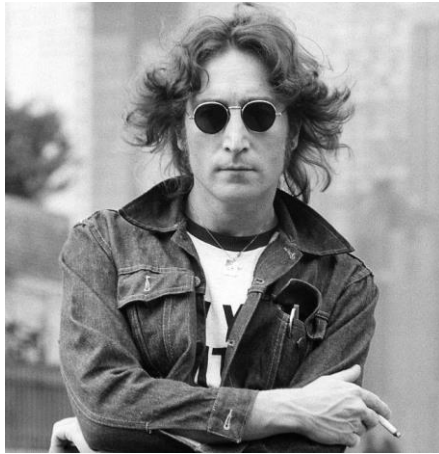

*“There does exist and has existed for a generation, **an international network** which operates, to some extent, in the way the radical Right believes the Communists act. In fact, this network, which we may identify as the Round Table groups, has no aversion to cooperating with Communists, or any other groups, and frequently does so. I know of the operations of this network because I have studied it for 20 years and was permitted for two years, in the early 1960s, to examine its secret records.”*

*“The powers of financial capitalism had a far-reaching aim, to create **a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole.** This system was to be controlled by the central banks of the world acting in concert, by secret agreements.”*

JOHN LENNON / 1940-1980

Pop Star / Singer song-writer for *The Beatles*/ Political Activist

Lyrics from his famous song, "Imagine"

*Imagine there's **no countries**
It isn't hard to do
Nothing to kill or die for
And no religion too*

*You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And **the world will be as one***

RICHARD GARDNER / 1927 –

**United States Ambassador to Spain and Italy /
Professor, Columbia Law School**

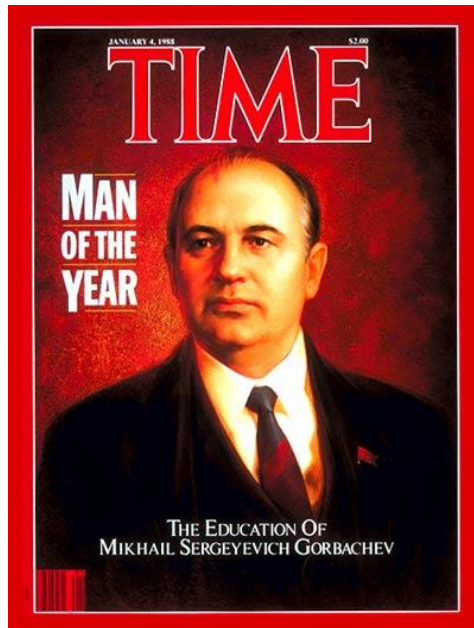

*"In short, the '**house of world order**' will have to be built from the bottom up rather than from the top down. It will look like a great 'booming, buzzing confusion,' to use William James' famous description of reality, but an **end run around national sovereignty, eroding it piece by piece**, will accomplish much more than the old-fashioned frontal assault."*

** From an article titled, **The Hard Road to World Order**, 1974*

MIKHAIL GORBACHEV / 1931 –

**Former General Secretary of the
Communist Party of the Soviet Union**

*“There is an increasing awareness of the need for
some form of **global government**.”*

THE ECONOMIST MAGAZINE (UK)

January 9, 1988 / “Get Ready for the Phoenix” (One World Currency)

GEORGE H W BUSH / 1924 - 2018

The 41st United States President

*“It is a big idea. A **New World Order** where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind:*

*Out of these troubled times, ... our fifth objective, - a **New World Order**, can emerge: a new era, freer from the threat of terror, stronger in the pursuit of justice, and more secure in the quest for peace ... Now we can see a new world coming into view, a world in which there is a very real prospect of a **New World Order**. ... We are now in sight of a United Nations that performs as envisioned by its founders.”*

**Before a Joint Session of the U.S. Congress*

WALTER CRONKITE / 1916-2009

**CBS News Anchorman for 19 years /
known as “The Most Trusted Man in
America”**

*"We must strengthen the United Nations as a first step toward a **world government** with a legislature, executive and judiciary, and police to enforce its international laws and keep the peace. ... We Americans are going to have to yield up some of our sovereignty. **That's going to be to many a bitter pill.** ...Today we must develop **federal structures on a global level.** We need a system of enforceable world law --a democratic federal world government."*

** Upon receiving a world government award in 1999.*

HILLARY CLINTON / 1947 -

First Lady / Secretary of State / Almost President

*"Good evening and congratulations, Walter, on receiving the World Federalist Association's **Global Governance Award**. For more than a generation in America, it wasn't the news until Walter Cronkite told us it was the news. Every night at 6 o'clock, we listened as you explained the complex events of the day. ... You became a trusted member of my family and the families across America. For decades, you told us "the way it is," but tonight, we honor you for fighting for the way it could be."*

**Congratulating Walter Cronkite on receiving his world government award in 1999*

STROBE TALBOTT / 1946 –

Deputy Secretary of State under
President Bill Clinton / Yale, Brookings
Institute

*“All countries are basically social arrangements that are all artificial and temporary. Within the next hundred years, **nationhood as we know it will be obsolete.** All states will recognize **a single global authority.** National sovereignty wasn't such a great idea after all.”*

HENRY KISSINGER / 1923 –

U.S. Secretary of State under President Nixon / Foreign Policy Strategist

“Before the end of summer, President Bill Clinton will ask Congress to approve the North American Free Trade Agreement, linking the United States with Canada and Mexico in a free-trade area

It will represent the most creative step toward a new world order taken by any group of countries since the end of the Cold War, and the first step toward the even larger vision of a free-trade zone for the entire Western Hemisphere.”

DAVID ROCKEFELLER / 1915 - 2017

**International banker / Director of
Council on Foreign Relations**

*“Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more **integrated global political and economic structure--one world**, if you will. If that's the charge, I stand guilty, and I am proud of it.”*

** From, Memoirs, 2002*

THE FINANCIAL TIMES (UK)

December 8, 2008 / “And Now, For a World Government”

By Gideon Rachman

“I think the formation of some sort of world government is plausible.

*A “**world government**” would involve much more than co-operation between nations. **It would be an entity with state-like characteristics**, backed by a body of laws. The European Union has already set up a continental government for 27 countries, which could be a model. The EU has a supreme court, a currency, thousands of pages of law, a large civil service and the ability to deploy military force.”*

GORDON BROWN (1951 -

Former Prime Minister of Great Britain

"Gordon Brown called today for a "New World Order."

*"All these new challenges are bringing together the biggest restructuring we have ever seen not just of the global economy, but of **the Global Order as a whole.**"*

NEW YORK TIMES

January 3, 2009

The New York Times

Shaking Up the Boardroom at World Government Inc.

By JAMES TRAUBJAN

*"A wide range of foreign policy experts are urging the new president (Obama) to look **to reshape the world's governing structures.**"*

Those structures — the United Nations, the World Bank and the International Monetary Fund, among others — date from World War II's end, when the victors enjoyed a monopoly on political power."

** **Editor's note.** World War II (like World War I) was actually engineered by the Globalists for the specific purpose of crushing independent nation-states and establishing the above-listed institutions of Globalism, as well as NATO, the CIA and the embryonic structure of what would become the European Union".*

BARACK OBAMA (1961 -

The 44st United States President

“Now is the time to join together, through constant cooperation, strong institutions, shared sacrifice, and a global commitment to progress.”

*“All nations must come together to build a stronger, **global regime**.”*

HERMAN VAN RUMPUY

Former President of the European Union

*“The climate conference in Copenhagen is another step toward the **global management** of our planet.”*

THE ATLANTIC MAGAZINE

October 10, 2015

**The Case for Getting Rid of Borders—
Completely**

By Alex Tabarrok

*“The argument for **open borders** is both economic and moral. All people should be free to move about the earth, uncaged by the arbitrary lines known as borders.”*

ANGELA MERKEL (1954 -

Chancellor of Germany

*“In this day nation states must today – should today, **I say – be ready to give up sovereignty.**” Countries who think they can solve everything on their own only think about themselves.”*

EMMANUEL MACRON (1977 -

President of France

“Selfish nations only look after their own interests. Patriotism is exactly the opposite of nationalism.”

“I do not agree with signing trade agreements with countries that do not respect the Paris Climate agreement,”

POPE FRANCIS (1936 -

*“There is urgent need of a true **world political authority** ... **One authoritative source** of oversight and coordination is the law, which lays down rules for admissible conduct in the light of the common good.*

QUOTES OPPOSING WORLD GOVERNMENT

JOHN ROBISON (1739 – 1805)

Scottish physicist and professor of natural philosophy / inventor of the siren

CONSPIRACY

RELIGIONS AND GOVERNMENTS
OF
EUROPE,
CARVED UP
IN THE SECRET MEETINGS
OF

COLLECTED FROM GOOD AUTHORITIES,
By JOHN ROBISON, A. M.
PROFESSOR OF NATURAL PHILOSOPHY, AND SECRETARY TO THE
ROYAL SOCIETY OF EDINBURGH.
Nam tuus es agitur paries cum proximus ardet.
THE FOURTH EDITION.
TO WHICH IS ADDED, A POSTSCRIPT.

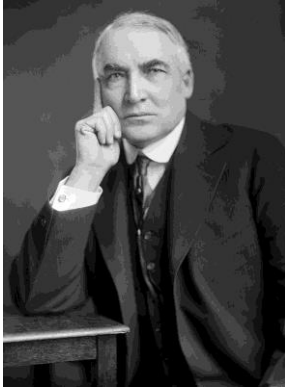

NEW-YORK:
Printed and Sold by George Forman, No. 64, Water-Street,
between Coenties and the Old-Slip.
1798.

"An association has been formed for the express purposes of rooting out all the religious establishments and overturning all existing governments ... the leaders would rule the World with uncontrollable power, while all the rest would be employed as tools of their unknown superiors."

**From, "Proofs of a Conspiracy"*

WARREN HARDING (1865 - 1923)

The 29th United States President

"The recorded progress of our Republic, materially and spiritually, proves the wisdom of the inherited policy of noninvolvement in Old World affairs. ...We seek no part in directing the destinies of the Old World. We do not mean to be entangled."

*We sense the call of the human heart for fellowship, fraternity, and cooperation. We crave friendship and harbor no hate. But America, our America, the **America built on the foundation laid by the inspired fathers, can be a party to no permanent military alliance.** It can enter into no political commitments, nor assume any economic obligations which will subject our decisions to any other than our own authority."*

ADOLF HITLER (1889 – 1945)

Chancellor of Germany, 1933-1945

On World War I: *“International stock-exchange capital was not only the chief instigating factor in bringing on the War (World War I) but when the War was over it turned the peace into a hell. The struggle against **international finance capital** has become one of the most important points in the program on which the German nation has based its fight for economic freedom and independence.”*

On World War II: *“It is untrue that I or anyone else in Germany wanted the war in 1939. It was desired and instigated exclusively by those **international statesmen** who were either of Jewish descent or worked for Jewish (Financial) interests.”*

HITLER (continued)

On Globalists: *“What does democracy or authoritarian state mean to those **international hyenas**? They don’t care at all. They are only interested in one thing: Are you willing to be plundered? Yes or no?*

Are you stupid enough to keep quiet in the process? Yes or no? And when a democracy is stupid enough not to stand up, then it is good. But when an authoritarian state declares, ‘You are not going to plunder our people . . .’ neither from the inside nor the outside’, then that is bad.

In reality, money rules in these countries. They talk about press freedom, when in fact all these newspapers have one owner, and the owner is, in any case, the sponsor. This press shapes then public opinion. These political parties do not have any differences at all.

“In these countries, there should exist a very comfortable life for its people. But the opposite is the case. In these countries, in the so-called democracies, their person is by no means the main focus of attention. What really matters is exclusively the existence of a few hundred giant capitalists who own all the factories and shares and who, ultimately, lead the people. They are not interested at all in the great mass of people. They

are the only ones who can be addressed as international elements because they conduct their business everywhere. It is a small, rootless international clique that is turning the people against each other that does not want them to have peace.”

JOSEPH McCARTHY (1908 - 1957)

**U.S. Senator (R-WI) / Chairman of
Senate Investigative Committee (1953-
1954)**

"How can we account for our present situation unless we believe that men high in this Government are concerting to deliver us to disaster? This must be the product of a great conspiracy, a conspiracy on a scale so immense as to dwarf any previous such venture in the history of man - A conspiracy of infamy so black that, when it is finally exposed, its principals shall be forever deserving of the maledictions of all honest men."

Read: "St. Joseph of Wisconsin" – by M S King

EDITH K. ROOSEVELT (Mid 1950-60's)

Newspaper columnist / granddaughter of
President Theodore Roosevelt

*“The word ‘Establishment’ is a general term for the power elite in international finance, business, the professions and government, largely from the northeast, who wield most of the power regardless of who is in the White House. Most people are unaware of the existence of this ‘legitimate Mafia.’ Yet the power of the Establishment makes itself felt from the professor who seeks a foundation grant, to the candidate for a cabinet post or State Department job. It affects the nation's policies in almost every area.” “What is the Establishment's view-point? Its ideology is constant: ... a **One World** Socialist state governed by ‘experts’ like themselves. The result has been policies which favor the growth of the super state and the gradual surrender of American sovereignty to the United Nations.”*

CHESTER WARD (1960-70's)

**Navy Admiral /Judge Advocate General of the
U.S. Navy / Member of Council on Foreign
Relations (CFR)**

“Once the ruling members of the CFR have decided that the U.S. Government should adopt a particular policy, the very substantial research facilities of CFR are put to work to develop arguments, intellectual and emotional, to support the new policy, and to confound and discredit, intellectually and politically, any opposition.”

“[the CFR has as a goal] submergence of U.S. sovereignty and national independence into an all-powerful One-World government.... this lust to surrender the sovereignty and independence of the United States is pervasive throughout most of the membership.... In the entire CFR lexicon, there is no term of revulsion carrying a meaning so deep as ‘America First.’”

ROBERT WELCH (1899 – 1985)

**Wealthy businessman / prolific speaker
and writer / patriotic founder of the John
Birch Society**

*“The Communist movement is only a tool of the total conspiracy. As secret as the Communist activities and organizations generally appear, they are part of an open book compared to the secrecy enveloping some higher degree of this diabolic force. The extrinsic evidence is strong and convincing that by the beginning of the 20th Century **there had evolved an inner core of conspiratorial power, able to direct and control subversive activities which were worldwide in their reach, incredibly cunning and ruthless in their nature, and brilliantly farsighted and patient in their strategy.**”*

BARRY GOLDWATER (1909 – 1998)

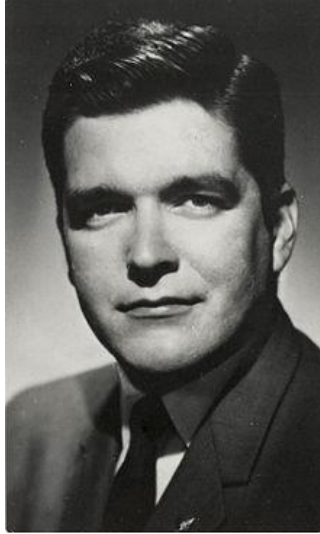

U.S. Senator (R-AZ) / Republican
nominee for President in 1964

*“David Rockefeller’s newest international cabal, the Trilateral Commission.... is intended to be the vehicle for **multinational consolidation** of the commercial banking interests **by seizing control of the political government** of the United States. Perhaps its most important aspect is its commitment to facilitating high-level international dialogue.”*

LARRY MACDONALD (1935 – 1983)

**U.S. Congressman (D-GA) / President of
John Birch Society / Killed aboard KAL
Flight 007**

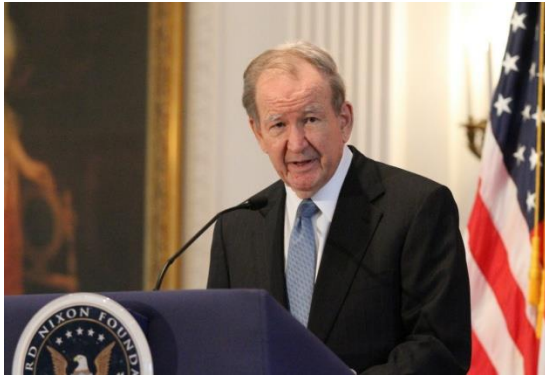

*“The drive of the Rockefellers and their allies is to create **a one-world government**, combining super-capitalism and Communism under the same tent all under their control. Do I mean conspiracy? Yes I do.*

I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent”

PATRICK J BUCHANAN (1938 –

**Commentator, author, columnist,
presidential candidate (1992 & 1996)**

*"NAFTA is not really a trade treaty at all, but the architecture of the **New World Order**."*

*"Free trade is the serial killer of American manufacturing and **the Trojan Horse of World Government**."*

"We don't want to merge our economy with Mexico, and we don't want to merge our country with Mexico."

*"You may be sure that in this "new international system," **the American citizen will count for precious little**. America is all about."*

RON PAUL (1935 –

**U.S. Congressman (R-TX) / Presidential
candidate 2008 & 2012**

*“It’s going to be an announcement of a new monetary order, and they’ll make it sound very limited, they’re not going to say this is world government, even though it is if you control the world’s money and the military, which they do indirectly. --- “A world central bank, worldwide regulation and world control of the whole system, of all the commodities and all the natural resources, **what else can you call it other than world government?**”*

*“We are only supposed to talk about internationalism, globalism, and **one-world government**. To talk about the interests of the United States, in this city, is considered very negative.”*

VLADIMIR PUTIN (1952 -

The President of Russia

*"The UniPolar world refers to a world in which there is **one master, one sovereign, one center of authority, one center of force, one center of decision-making.** This is pernicious - At its basis there can be no moral foundations for modern civilization."*

*"There can hardly be doubts that **the unipolar world model has failed** . Louder and louder, peoples and countries express their determination to choose their destiny on their own, to preserve their civilizational and cultural identity, which contradicts **the West's attempts to keep dominating in the military sphere, politics, finance and economy, ideology.**"*

DONALD TRUMP (1946 -

The 45st United States President

*“We will no longer surrender this country or its people to **the false song of Globalism**. ... My foreign policy will always put the interest of the American people and America security above all else. ... “**America First** will be the major and overriding theme of my administration,”*

*“Democrats want to turn back the clock for the rule of corrupt, **power-hungry, globalists**. You know what a globalist is? A globalist is a person that wants the globe to do well, frankly, not caring about our country so much. We can’t have that. You know they have a word. It sort of became old-fashioned. It’s called a nationalist, and I say really, we’re not supposed to use that word. You know what I am? I’m a nationalist, okay?”*

M S KING (1964 -

**Author / Historian Investigative
Journalist / Philosopher / Webmaster:
TomatoBubble.com**

“Behold what the “good guys” have wrought in the days since their back-to-back “holy” World Wars. The populations of Europe, and by extension America, Canada and Australia, no longer exist as peoples with common history, heritage or values.

We have been reduced to a rootless, cultureless, godless, unisex, alienated, infertile, pornographic, multi-cultural, homosexual mish-mash of mentally medicated tax and internationalized “worker bee” tax and debt slaves.

The true European essence that was once rooted in places like ancient Athens, Rome, Florence, Paris,

London, Madrid, Dresden; and historical personages such as Plato, Aristotle, Pericles, Jesus, Marcus Aurelius, Charlemagne, Mozart, Kant, Dante, Shakespeare, Jefferson, Franklin; and vital institutions such as family, farm, folk, community, church and civic groups are, if not totally “gone with the wind,” certainly in the process of coming off their moorings.

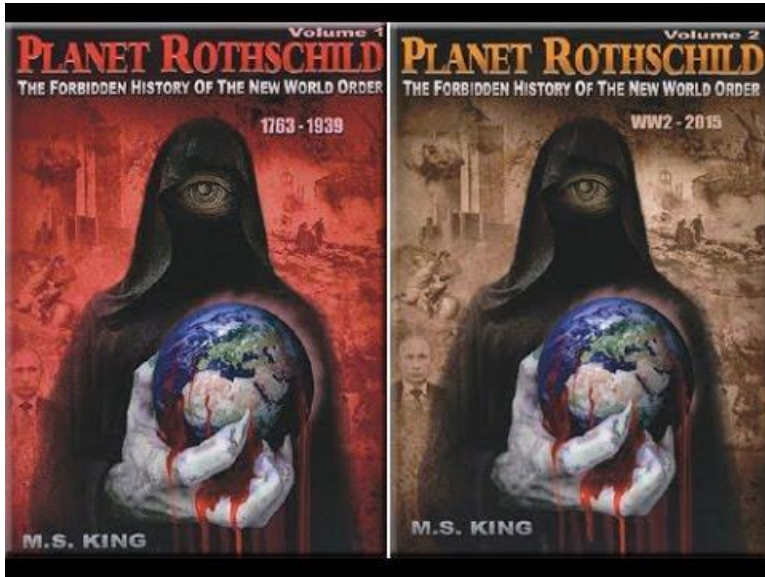

Collectively, the people of the West are no longer really even “peoples” defined by common cultures, traditions, bloodlines and sets of eternal values. We are economies defined solely by the Gross Domestic Product.

As individuals, we are no longer persons defined by our virtues and intellects. We are soulless machines – disposable, pill-popping, TV-addicted “human resources” and “tax payers” defined solely by our “net worth” and ability to “consume” - a euphemism for going into debt to buy crap that we don’t need.

Welcome to the New World Order – a degenerate and predatory Capitalist-Communist system which we live in, no, exist in today.”
