

Quality Improvement

February

What have we improved?

We recently given out questionnaires on how you feel about the care your children receive at Banwell. Also we gave out a questionnaire on how you use Tapestry.

We have been looking at the way we log our observations to ensure we cover all areas.

We have been looking how we use our website and Facebook page to keep all information up to date

What's next?

- Parents will receive feedback on questionnaires
- We will evaluate our outdoor learning environment and feedback
