On the Lighter Side...

After having children, Adam and Eve started getting a lot of questions from their kids about why they no longer lived in Eden. Adam has a simple answer for this: "Your mother ate us out of house and home."

Harry walked approached his pastor after the service. "You know I am really stuck in a quandary. I would like to attend church again but I just can't miss the big game next Sunday." "Oh Harry," replied the pastor, putting his arm around Harry, "Don't you know? That's what recorders are for." Harry's face lit up, "You mean I could record your sermon?"

A teacher was reading Bible stories to his students. "The man named Lot was warned to take his wife and flee out of the city, but his wife looked back and was turned into a pillar of salt. One student asked, "What happened to the flea?"
