

Home School Document 5

Hello Everyone,

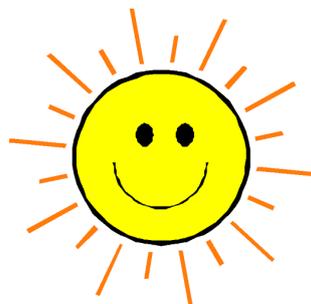

I hope you are all safe and well and getting through this the best way you can. I have a few more ideas/activities for you to follow/complete at home if you want to although I am sure you are all doing plenty of wonderful things. I will try to update you with new ideas each time but if you prefer some of the ideas from previous weeks, continue using them.

Keep following the school Facebook page for regular updates, some parents have been sending photos of the children in to be posted so please feel free, it would be lovely to see them. If you would prefer you can email me any photos and I will get them put up on Facebook or the school website for you.

Take care and stay safe!!

Music/Drama

Caterpillar Music - Facebook page

Caterpillar Music are offering live music sessions using puppets, musical fun and action songs. They are colourful and the songs are catchy and encourage the children to join in.

P.E.

Jump, Jiggle and Jive - Facebook page

Live sessions of dance, fun and movement or catch up with the videos.

Mathematics

<https://www.youtube.com/watch?v=nDbxU4US1Rk>

This is a lovely circle time based on counting rhymes/stories. It is very similar to how we would work in the classroom. The children will already be familiar with many of the rhymes/stories.

Activities

Topmarks is a great website for online games. The Early year's section should have some suitable games for the children.

SESE

Think about boats (transport theme) and how they float on the water. Can you think of anything else that floats? Experiment with the following and see if they float or sink.

Objects	 Float	 Sink
 coin		
 pencil		
cotton ball 		

 crayon		
rubber band 		
 wooden stick
