

**2020 Benjamin Franklin Science Fair  
 Division B: Third and Fourth Graders  
 Thursday, February 20, 2020  
 6:30 pm – 8:00 pm**

**(Projects MUST be set-up between 5:30 pm and 6:00 pm)**

Science Fair and Art Contest will be held simultaneously this year. Students can register for both or one of the events.

Science Fair Guidelines for Division B (Third and Fourth Graders):

1. Participants will make a tri-fold display board about an experiment they have conducted. Tri-fold display boards (36 in X 48 in) are sold at Walmart and Office Depot.
2. Completion of a "My Science Fair Notebook" is suggested (but not required) to assist students in organizing their findings and aid them in creating their display board. This can be found at <http://www.benpto.com/>
3. Please write your name(s) and grade(s) on your display board, under your project title.
4. Each entry will be provided with space on a table at the fair for their experiment and display board. Participants may begin setting up their displays at Ben Franklin at 5:30 pm and must be finished by 6:00 pm on February 20, 2020 for judging.
5. Students should be prepared to briefly discuss their project with judges.
6. The projects in this division will be grouped into several categories. Participants are eligible to win 1st, 2nd and 3rd place medals in their assigned category.
7. Some of the winning projects may be chosen to be displayed at the Bethel Park Library on Saturday, February 22nd. These projects will be returned on February 24th. You may choose to opt out by checking the box on the form below.
8. Unless taken to the library, all projects should be taken home at the end of the night.

For more information, safety guidelines, and copies of the judging criteria, check out the "Division B Science Fair Handbook" on the Franklin PTO website under FORMS at <http://www.benpto.com/>

If you have any questions, contact Suzzi Watson [suzzi.watson@gmail.com](mailto:suzzi.watson@gmail.com).

To register, return this form to school by February 8th.
