The *FIRE*, also known as the Holy Spirit, has long been provided and is awaiting the Living SACRIFICE to be offered - and that's you and me. The ALTAR is an altar of faith, praise, prayer, of selflessness and trust. The *“Impenetrable Glory Anointing”* has been released, as divinely revealed to Pastor Claudia Johnson after our 10th Anniversary Banquet. This timely release is our Heavenly Father's reassuring way of letting us know that we can advance fearlessly, with boldness and great confidence, as nothing can penetrate His Divine Protection and His Divine Covering. Our Father is well aware that satan already knows the capacity of our current armor. As He releases us on the global stage, the level of warfare required for the new assignment simply demands a higher level of covering. As faithful soldiers of the Cross, as His dangerous battleaxes, God has

sharpened us even more to tear down strongholds, to go into the deep fortresses of satan and set his captives free. No matter what the battle may look like in the natural, we have the One and only Undisputable Champion on our side. Thus, victories are unpreventable. Here is an undeniable fact that we must never overlook, and that we should never forget at any level of the warfare: “the enemy stands no chance, and that he knows very well.” All we need is to stay watchful, prayerful and harmful to satan's army. He must stand NO chance at no time through our negligence or complacency.

After completing our 10th anniversary in August 2017 (7: the number of completion), and to officially fulfill His promise made to us on October 22, 2010, the Lord birthed **ETIPM Global Haiti**

on November 1 and **ETIPM Global India** on November 6. Both ministries will be officially launched in January 2018 (8: the number of new beginning.) What a mysterious and timely God we serve!

Our Father means business, and so should we. The faithful should testify that there is no turning back. Our Father can always count on us to be at our posts. We have intentionally chosen to shut down any other voice, for we want God's voice and God's plan to prevail. We are on board, and we are **all-in**, so looking back is not even an option.

*“God does not call the qualified but He will qualify the called”* in His own perfect way. We have absolutely nothing to fear as we look to Him for provision and TRUST His GPS (*“God's Positioning System”*) to get us there safely. **All aboard!**

## 40-DAY FAST PURPOSE

*To seek God for greater sense of authority, where it has been lost, as in Jesus' fast.*

### Ten Kinds of Fast to choose from

1. **The Samuel Fast** (1 Sam 7):
    - for spiritual breakthroughs
    - for national revival
    - for atmospheric revival
  2. **The Elijah Fast** (1 Kings 19)
    - to break negative emotional feelings and habits
  3. **The Widow's Fast** (1 Kings 17 / Isaiah 58:7)
    - being others oriented
    - To meet humanitarian needs of other people
  4. **The Ezra's Fast** (Ezra 8):
    - for financial dilemma
  5. **The Esther's Fast:**

  6. **The Daniel's Fast** (Daniel 10)

    - For health and healing (Isaiah 58:8) – eating no meat, no sweets, no bread and drinking plenty of water
- NOTE:**  
*During this fast, pray for healthy choices in your eating habits for the rest of the year and beyond.*
7. **The John the Baptist's Fast:** (John 1:6-7)

  8. **The Disciples' Fast:**
    - to fight besetting sins, addictions
  9. **The Paul's Fast** (Acts 9)

    - Remember that it is the attitude of a heart sincerely seeking Him to which God responds with a blessing (Isaiah 58, Jeremiah 14:12, 1 Corinthians 8:8). May God greatly bless you as you fast and pray!

## ETIPM GLOBAL 40-DAY FAST & PRAYER

### Fasting with One or No Meal per Day?

While you fast, use your normal meal times for prayer and the Word. Depending on the fasts chosen, you are abstaining from certain foods and have begun to seek the Lord. Here are some helpful suggestions to consider:

- 1) Exercise moderately; take some prayer walks;
- 2) Rest as your schedule will permit, remember you are not eating the way your body is used to, so you may be fatigued in the beginning.
- 3) Prepare yourself for some temporary mental discomfort, such as impatience, crankiness.
- 4) Expect some physical discomforts especially on the second day. You may have fleeting hunger pains, dizziness, or the "blahs".
- 5) Withdrawal from caffeine and sugar may cause headaches. Physical annoyances may also include weakness, tiredness, or sleeplessness. The first two or three days are usually the hardest. As you continue to fast, you will likely experience a sense of well-being both physically and spiritually. However, should you feel hunger pains, increase your liquid intake.

**Morning** (spend at least 15 minutes alone with the Lord) Begin your day in praise and worship. Read and meditate on God's Word preferably on your knees. Invite the Holy Spirit to work in you to will and to do His good pleasure according to Phil 2:13. Invite God to use you. Ask Him to show you how to influence your world, your family, your church, your community, your country and beyond.

**Noon** (spend at least 15 minutes) Return to prayer and God's Word. Take a short prayer walk. Spend time interceding for your community's and nation's leaders, for the world's unreached billions, for your family or special needs.

**Evening** (spend at least 20 minutes) Get alone for an unhurried time of "seeking His face." Avoid television or any other distractions such as social media and the likes that may dampen your spiritual focus.

## From ETIPM Global INDIA *by Brother Paresh Haldar*

*How blessed the man you train, God, the woman you instruct in your Word, providing a circle of quiet within the clamor of evil, while a jail is being built for the wicked. God will never walk away from his people, never desert his precious people. Rest assured that justice is on its way and every good heart put right. If God hadn't been there for me, I never would have made it. The minute I said, "I'm slipping, I'm falling," your love, God, took hold and held me fast. When I was upset and beside myself, you calmed me down and cheered me up... But God became my hideout, God was my high mountain retreat, then boomeranged their evil back on them: for their evil ways he wiped them out, our God cleaned them out for good.*

**Psalm 94:12, 15-23**

Dear Praying Friends,

We cannot believe how quickly this 2017 year has gone by! Our hearts are filled with love and gratitude towards our God for His kindness and faithfulness over the past year. It has been a very busy year for us, both in the ministry for Disciple and Leadership Development training here in India, as well as in the "Haldar" home. But we can only testify of His kindness and sustaining power. It was nice to simply relax at home and spend some time also with family and friends. Looking back now, we wonder, why we worried about the things as we did, when God has eventually worked it all out for His glory!

We realize how easily we speak of faith and trust in God, but do not live according to it, also how we do not deserve His love and grace yet He gives it to us, just because of His very nature of a perfect, righteous, merciful and loving Father. We have learned so much more about His character this year and have been taught and challenged through

His Word. This year has also witnessed in us an even deeper understanding, appreciation and love for the gospel of Jesus Christ, as well as praying with **End-Time Intercessory Prayer Ministry Global (ETIPM Global USA)**.

We had the privilege to teach, preach and train at several local and distant churches this year. Along the way, we met some very dynamic young people who came from very far off places in India, as far as a 2-3 day bus / train rides, followed by a 2-5 day hike back to their villages. It causes us to realize that God is at work just about everywhere! However, in every training session, we also realized that many people and even leaders have not fully understood, tasted or experienced the joy and freedom of being saved by grace alone through faith and NOT by our works.

We are also very grateful to God for all of you ETIPM Global USA for your continued prayer and financial support since 2012. It's really been both a blessing and a learning period for us. Finally I'm very appreciative for the great privilege to officially start a new

Partnership with ETIPM for God's next moves here in India, officially launching ETIPM Global India in January 2018.

We are filled with faith and great expectancy for 2018! May the Lord continue to raise up many more committed people in His kingdom to reach the lost not only here in India but throughout the whole world!

May you all have a wonderful 2018 as you remember His faithfulness and in sending His Son to us.

Deepest blessings!

## *In Memory of Nilsa Wynter-Moore*

We were introduced to each other and others in mind and by the following through your sister Deaconess Marcia Thomas in December 2016 through urgent prayer requests for your physical well-being, and pray we did for you for several months. Truly, we were happy to meet you in August at our 10th anniversary banquet. But on Friday, October 20, 2017, God ordained an emergency 24-hour prayer and fasting with you and others in mind and by the following Friday, October 27, God answered our prayers on your behalf by completely healing your deteriorating body and by giving you a glorified one. Your loved ones deeply miss you down here, however, we know that you would not trade anything for where you are now, rejoicing in His presence. Sleep on Nilsa! We shall see you again soon!

## WORDS OF WISDOM

*(from the Author)*

1. Every sickness and disease can be cured naturally. They are poison and toxic inflammations in the body.
2. When you're sick, seek natural remedy. Drugs do not cure people, herbs will. God said, herbs are your source of healing. Herbs are the only things you need to build your Immune System. Also see Psalm 51:10
3. Do not allow doctors to tell you that there is no cure for any disease. Doctors are trying to make the Almighty Creator a liar and the Almighty Creator cannot lie.
4. It makes no sense to sit and die from sickness and disease that can be easily cured. It makes no sense.
5. Let your food be your medicine and your medicine your food.
6. Remember, there are 3 kinds of sicknesses in the world
  - a) Spiritual
  - b) Mental
  - c) Physical

## Wise Men - *by Minister Brenda Robinson*

I love to reflect upon the story of the three wise men. It is through this commentary we learn that "wise men" seek God. Matthew gives us a brief but profound narrative of their visit to pay homage to infant Jesus. Although these men were scholars, what made them "wise men" was their reverential fear of God. In Proverbs 1:6, we read the fear of the Lord is the beginning of knowledge: but fools despise

wisdom and instruction. These men were wise in seeking the truth of God's Word. They discovered through their study of the prophets that a king would be born from a little town of Bethlehem in the land of Judah. (Micah 5:2) Likewise, these men were wise to make personal sacrifices to pursue Jesus. Although Matthew does not reveal the Magi's length of travel, some theologians feel it could have taken them almost two years

to reach Bethlehem. When they found Jesus, they worshipped Him and offered Him their very best: **gold** which symbolized His royalty; **frankincense** which symbolized His deity; and **myrrh** which symbolized His future suffering and death. Although these men were instructed by King Herod to return back to Jerusalem and report the new born king's whereabouts, they used wisdom and returned back

to their country -- adhering to a divine warning given to them in a dream. Today, wise men still seek God. Don't forget this holiday season and always, to pursue Him. For in Him we live, and move, and have our being. (Acts 17:28, KJV) Be wise and seek God daily by taking time to study His Word, by making personal sacrifices for Him by worshipping Him, by serving Him with excellence, and by obeying Him.
