CRUISE FROM THE NORTHEAST THE NORWEGIAN WAY.

America may stretch from sea to shining sea, but its cultural mecca rests in two cities separated by just 225 miles. Sophisticated and vibrant, New York City and Boston are where new galleries and restaurants pop up daily. Where bars serve as much conversation as beer. And where parks are made out of meadows and train tracks. When you cruise The Norwegian Way™, you'll find the same excitement, the same freedom and choice, but with some sand under your feet. To get there, just hop in a cab or ride the subway to our departure ports. Then check your briefcase at the door. And breathe.

NORWEGIAN BREAKAWAY

PREPARE TO BREAKAWAY.

From the expected. From the ordinary. Introducing Norwegian Breakaway, a ship designed to connect you with the ocean and bring to life the allure and romance of traveling on the sea. Eight decks above the water and worlds away from anything you've ever seen, The Waterfront is where you'll feel the ocean breeze on your skin and taste the salt air as you explore all kinds of shops, restaurants and bars along a quarter-mile, wrap-around oceanfront boardwalk. And at 678 Ocean Place, the heart of Norwegian Breakaway, discover three captivating, wide-open decks of daytime and nighttime entertainment where unique indoor spaces flow seamlessly outdoor like never before. The largest cruise ship to ever homeport in New York City, Norwegian Breakaway sets sail in the spring of 2013. We invite you to step aboard to be one with the ocean and a part of cruising history.

DID YOU KNOW?

BERMUDA'S BEAUTIFUL BEACHES GET THEIR PINK HUE FROM A COMBINATION OF TINY FLECKS OF RED FOAM, SMALL PARTICLES OF CRUSHED SHELLS AND BITS OF CORAL.

BERMUDA FROM BOSTON AND NEW YORK

IT'S LIKE ENGLAND, WITH PALM TREES.

Cruise aboard the youngest fleet sailing to Bermuda, a British territory settled more than four centuries ago. In fact, we're the only cruise line that sails to Bermuda from Boston. And our newest ship, Norwegian Breakaway, will be the largest cruise ship to ever homeport in New York City. Whether you're leaving from Boston or New York, Bermuda is where you'll dock for three full days of doing whatever makes you happy, even if that's building your first-ever pink-sand castle. Take a snorkel into the warm Atlantic waters and explore what's left of the *Montana*, one of over 300 shipwrecks encircling the islands. Then play eighteen holes on a tropical golf paradise. What will you do tomorrow? Think about it while you sip a Dark 'n' Stormy, Bermuda's national drink, on the pool deck while the sun slips into the horizon.

CANADA & NEW ENGLAND FROM BOSTON, QUÈBEC CITY AND NEW YORK

FEAST ON BEAUTY, HISTORY AND LOBSTER.

Along the coastline of Canada & New England is where the deep-blue sea meets rich autumn hues. Take it all in—and your digital camera out—as you witness the changing fall foliage, one of nature’s amazing spectacles. It’s also where you’ll travel back to the Gilded Age and explore Bar Harbor, an opulent summer retreat built for the 19th-century elite. Québec City’s iconic Château Frontenac is where you’ll find the best views of the Saint Lawrence River. At low tide, hike down to the base of New Brunswick’s Hopewell Rocks, a marvel of nature created by melting glaciers and carved by the highest tides in the world. And save an afternoon for a true “downeast” lobster bake with fresh-from-the-ocean lobster drizzled with butter and all the trimmings.
