

# SPELLING POWER

## (For PreK to grade 3)

**Spelling Power** is a research-based program that provides comprehensive instruction using the Orton-Gillingham approach. Instructions are tailored to help make spelling logical, and learning is incremental so every child can succeed and become proficient spellers for life.

### PROGRAM ELEMENTS:

- Multisensory approach to make it easier to understand
- Mastery-based, building block teaching with built-in review system
- Explicit spelling instruction and sequential lessons
- Adjustable pace - "Go as fast, but as slow as you must!"
