

TE REO MĀORI PROFESSIONAL LEARNING DEVELOPMENT

Would you like to learn Te Reo Māori?

Would you like to advance your basic Te Reo Māori knowledge?

Do you need to improve your understanding and knowledge of Te Reo Māori in your workplace?

Whether you are a corporate organisation or business, a school, an Early Learning Centre, a tertiary provider, or other education provider, if you would like your staff to engage in Te Reo Māori PLD, then I can meet with you to tailor-make a programme that will meet the needs and abilities of your staff.

Te Reo Māori is an official language, and the first language of Aotearoa/NZ, and I acknowledge your desire to embark on this language journey.
