KABOT ENDORSED BY LIBERTARIAN PARTY

Linda Kabot, the designated candidate for the Office of Suffolk County Legislator for the 2nd Legislative District on the Republican and Conservative lines for the November 5 General Election ballot, has also been cross-endorsed by the Libertarian Party.

The Libertarian Party is a recognized political party in New York and will have a ballot line on the General Election ballot November 5, 2019.

“I am honored to have the endorsement of the Libertarian Party, which has as its core platform that lesser government is better government. I believe in more limited government interference in our lives and personal freedoms. My views about cutting wasteful government spending, reducing taxes and fees, and restoring fiscal sanity to Suffolk County are in line with the views held by many Libertarians,” stated Kabot.

“Libertarians are for fiscal responsibility and government to get out of your life – more liberty, more personal freedoms, but with self-restraint and personal virtues. Your rights should not infringe on other people’s rights and following a non-aggression principle. Liberty is about freedom and respect for personal choices,” Kabot continued. “I am proud to be endorsed by Suffolk County Libertarian Party for my candidacy for County Legislator and look forward to campaigning on our common goals of making Suffolk County a better place to live and work with the principles of fiscal responsibility and limited government and opportunity for all.”
