

### ARTICLE 3. JUNKED MOTOR VEHICLES ON PRIVATE PROPERTY

8-301.

FINDINGS OF GOVERNING BODY. The governing body finds that junked, wrecked, dismantled, inoperative or abandoned vehicles affect the health, safety and general welfare of citizens of the city because they:

- (a) Service as a breeding ground for flies, mosquitoes, rats and other insects and rodents;
- (b) Are a danger to persons, particularly children, because of broken glass, sharp metal protrusions, insecure mounting on blocks, jacks or other supports;
- (c) Are a ready source of fire and explosion;
- (d) Encourage pilfering and theft;
- (e) Constitute a blighting influence upon the area in which they are located;

(f) Constitute a fire hazard because they frequently block access for fire equipment to adjacent buildings and structures.  
(Code 1991)

8-302.

DEFINITIONS. As used in this article, unless the context clearly indicates otherwise:

- (a) Inoperable means a condition of being junked, wrecked, wholly or partially dismantled, discarded, abandoned or unable to perform the function or purpose for which it was originally constructed;
- (b) Vehicle means, without limitation, any automobile, truck, tractor or motorcycle which as originally built contained an engine, regardless of whether it contains an engine at any other time.  
(Code 1991)

8-303.

Any one of the following conditions shall raise the presumption that a vehicle is junked, wrecked or inoperable;

(3) Absence of one or more parts of the vehicle necessary for the lawful operation of the vehicle upon street or highway.

(b) The provisions of this section shall not apply to:

- (1) Any motor vehicle which is enclosed in a garage or other building;
- (2) To the parking or storage of a vehicle inoperable for a period of 30 consecutive days or less; or

(3) To any person conducting a business enterprise in compliance with existing zoning regulations or who places such vehicles behind screening of sufficient size, strength and density to screen such vehicles from the view of the public and to prohibit ready access to stored vehicles by children. However, nothing in this subsection shall be construed to authorize the maintenance of a public nuisance.
