DID YOU KNOW THIS ABOUT SUFFOLK COUNTY?

**CAN YOU BELIEVE THAT
THE COUNTY LEGISLATURE
APPROVED Public Financing
of Political Campaigns ?!?**

In December 2017, County Legislator Bridget Fleming joined with Democratic colleagues on the County Legislature to approve public financing of political campaigns. In fact, Fleming co-sponsored the resolution with Legislators Calarco, Hahn, Gregory and Spencer. This takes effect with the 2021 election year. Republicans on the County Legislature voted in opposition together with the North Fork County Legislator Al Krupski who joined with them to stand up for the taxpayers against this misguided policy. When the County is in dire financial straits, how can any elected official think that redirecting money towards public financing schemes for county elected offices is a good thing ?
