

Getting Started

SavvyLevel™ is a free app that needs to be installed on your smart phone so that it can communicate with the SavvyLevel device installed in your Caravan/RV. SavvyLevel uses Bluetooth® low energy connection.

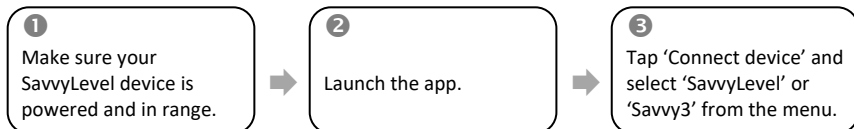

For use with:

- iPhone, iPad 4 or newer models
- Android™ v4.3.1 (Jelly Bean) or later.

SavvyLevel is available on the App Store and Google Play™. Search for 'SavvyLevel', then download and install the app.

It's as easy as 1, 2, 3

Note: If prompted for a Passkey Logon, leave it as '000000' for now and press OK. For later SavvyLevel variants passkey logon is not required.
