Athlete Development Program

Reach Your Potential Through Sport Specific Programming!

Ages: 7 to 12 years old
Starts June 19th
Mon / Wed / Fri
8:30am / 4pm / 5pm

What is Our Athlete Development Program?
Functional speed, agility, and strength is a component that is required in all athletic venues. By using our speed/agility and our strength training programs, athletes are given the opportunity to grow and improve.

Training sessions consist of:

- Weight Training and Functional Movements
- Speed Training - First Step Quickness and Proper Sprinting Mechanics
- Lateral Movement and Agility Training
- Sport Specific Programming To Reach Your Personal Goals
- Certified Coach
