Honor Quilts

All I can say is WOW! Many, many thanks to all of the wonderful ladies who showed up and worked so diligently at our workshop on January 28th. We had a total number of 24 who cut, ironed, and sewed quilt tops and pillowcases. I was told by multiple ladies that the entire day was a lot of fun. From this workshop I believe we will end up with at least 10 quilts. Bonita made 7 pillow cases to hold them; then, went home and made 19 more with a friend's help. A special thank you goes to Gala Damato, who made multiple door prizes. I am planning to have another workshop at the end of March, so look for more information on that.

CORRECTION: on the pattern I handed out at the workshop the final line had an error. For the four corners of the quilt, it should read: Cut two 5 1/8" squares, then cut each square in half on the diagonal ONE TIME to make the four corners. I apologize for any confusion.

In addition to working on quilts at the workshop, the Busy Bee Stitchers Bee delivered 27 Honor Quilts to Veterans at the Hampton VA Convalescent Center on February 11. We delivered several in the activity room and then went from room to room handing out quilts personally to residents. Two recipients were ladies. Everyone who received a quilt was very appreciative, thanking us multiple times, and some of them in tears. They shared some of their stories of service, one who served in three wars. They were so touched that someone would spend so much time on a quilt for them. It was a very rewarding experience for us all.

My thanks again to the dedicated long arm

quilters who turn our pieced tops into quilts. We couldn't do it without you.

Sherry Behun, Honor Quilt Coordinator

PPQG President's Message

Thank you so much to Lois Bates, Pat Sappenfield, and all the other members of the Yorktown Woman's Club for donating \$200 to PPQG for our Patriotic Honor Quilts. It truly was an honor to accept the check for our guild from Lois and Pat at the February Day Chapter meeting. This money will go a long way to help us provide much-deserved quilts to our wounded military members and local first responders.

Isobel Meekins

BOOKS! BOOKS! BOOKS!

Come shop at the next guild meeting! The PPQG will be selling quilt books at the next guild meeting. The library

has accumulated too many books and in order to lighten the load for the librarians, we will be selling some of the books at the next meeting. Please come and purchase a few books at a very reasonable price. All proceeds will go to the PPQG.

Up-Coming Night Chapter Programs

Our April program speaker will be Sara Madson, an award winning quilter. You will be in awe of her beautiful quilts and she will also share some of her antique quilts. One dates back to the Civil War. So mark the date and plan to attend. She will have patterns to sell.

Our May program will be a garage sale. Members can rent a table for \$10 and bring quilting items from home to sell. You will keep your proceeds. The table rental will benefit the guild. This is a great way to declutter and make a little something to spend on other neat items. Share a table with a friend; then you can take turns minding the store and shopping. If you are interested, please contact Gail Lockhart at g.lockhart@charter.net. Real important to be aware of, if you do not sell your items, you take them home. So, price items to sell, like a garage sale. This should be fun!

For sale: Janome Memory Craft 6600 sewing machine, dual feed, two years old – like new – to include 1/4" foot and sewing in the ditch foot. Price negotiable. Cathy Hudson 867-7698.

SYMPOSIUM LECTURE TICKETS

Tickets will be available for the evening social (5 p.m.) and lecture by Pat Sloan (6 p.m.) for \$5.00. Tickets will be available at both March meetings, and at the Day April meeting from Kitty Tully. If you are already attending the overall Symposium, the social and lecture are included in your original registration price. This offer is for those who are interested in hearing Pat Sloan speak, but were unable to attend the full day's activities. We do hope you will join us.

Small Service Projects

Thank you to all the members that made the fabric hearts for CHKD. Wow, we collected 72 fabric hearts at the meetings in February. We also received some isolette covers and small comfort quilts for babies at CHKD and Portsmouth Naval Hospital NICU. Members can continue to make the fabric hearts. The directions are on the website. The isolette covers can be made with bright and cheerful fabrics and need to be 50 inches wide and 40 inches long. Comfort quilts can be any size between 24 and 38 inches. Members can also make lap quilts for cancer patients at Riverside Hospital. The sizes should be approximately 32 x 40 inches. Thank you for continuing to support Service Projects each month. If you have any questions, please contact me or any member of the Service Project Committee.

Brenda and Aretha showed quilts from all of the women, explaining how they use traditional African-style fabrics in their quilts. The presentation received a rousing round of applause from the audience.

2016 Challenge Changes

Not having done/participated in a challenge before, Gretchen and I are re-inventing the wheel as we go with the 2016 PPQG Challenge.

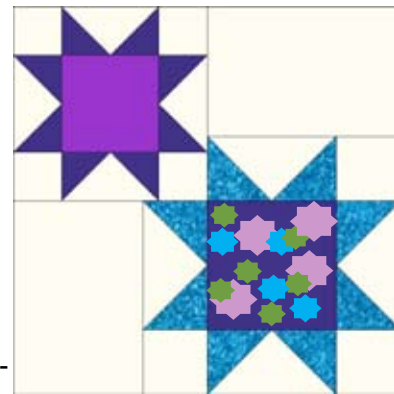

We received lot of comments and would like to amend the Challenge rules: 1.) The finished quilt size should be 34” to 36” wide and 49” to 51” long. This gives quilters some latitude and we don’t have to find a U.S. Bureau of Standards tape measure. 2.) September 13, the night chapter quilt meeting, will be the

deadline for accepting registrations. Entries can be brought to the September day and night meetings to be logged in. 3.) Pieces, large or small, used on the quilt top must be used somewhere on the back as well. 4.) If you would like your quilt to be hung in the 2017 Mancusco show you will need a hanging sleeve and artist’s statement, but that is not a requirement for the PPQG 2016 Challenge.

PPQG DAY CHAPTER: BLOCK OF THE MONTH for FEBRUARY 2016 ... BORN UNDER A WANDERING STAR* 12" (finished), 12½" raw edge size

Your kit should contain: ONE 4½" square of navy/lavender print, ONE 3½" square of lavender, EIGHT 2½" squares of turquoise, EIGHT 2" squares of dark blue, TWO 4½"x6½" rectangles of white, FOUR 2x3½" rectangles of white, FOUR 2" squares of white, FOUR 4½"x2½" rectangles of white and THREE 2½" squares of white PLEASE STRIVE VERY HARD FOR AN ACCURATE 1/4" SEAM ALLOWANCE ... If you find you are having difficulty getting the 1/4" seam, www.learnhowtoquilt.com has good videos, as both a refresher and some good tips. We all know how frustrating it can be to have a block not come out the way you had hoped! MEASURE YOUR BLOCK WHEN IT IS DONE TO BE SURE IT IS 12½" (unfinished) !!!

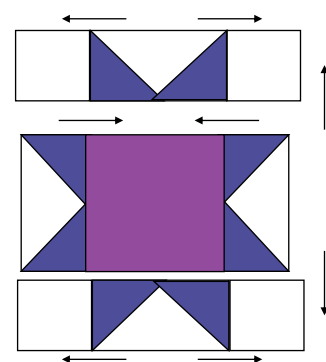

YOUR FINISHED STAR POINTS SHOULD BE ¼" FROM THE EDGE OF THE BLOCK!

1. Make the "flying geese" units for the small star. On the wrong side of the eight dark blue squares, draw a diagonal line. Align a square with the left side of a 2x3½" rectangle of white, right sides together, as shown in A to the right. Stitch on the line. Press toward dark (B). Trim off waste triangles below. Now add a second square, align with the right side (C). Stitch, press toward dark (D). Trim waste triangles below. MAKE 4 OF THESE! Your point should be ¼" from the edge of the unit.

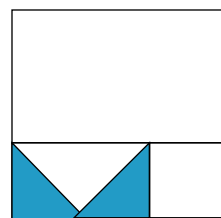

2. Make the "flying geese" units for the large star. On the wrong side of the eight turquoise squares, draw a diagonal line. Follow the directions in step 1, except use the turquoise and the 2½"x4½" white rectangles. MAKE 4 OF THESE!

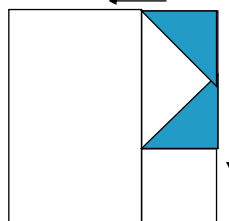

3. Assemble the upper left quadrant (small star). Using the 2x2" white squares, the dark blue/white flying geese and the lavender 3½"x3½" square, stitch the three rows of the star. Press as shown by the arrows. Then stitch the rows together. IF YOU PLACE THE FLYING GEESE UNITS ON TOP AS YOU STITCH, YOU WILL BE ABLE TO SEE THE EXACT INTERSECTION OF THE POINT AND STITCH EXACTLY THROUGH THAT.

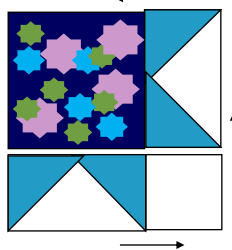

4. Make the upper right quadrant of the block. Stitch a 2½"x2½" white square to the RIGHT of a turquoise flying geese unit. Press toward square. Now join this unit to the bottom of one of the 4½"x6½" white rectangles. Press toward rectangle.

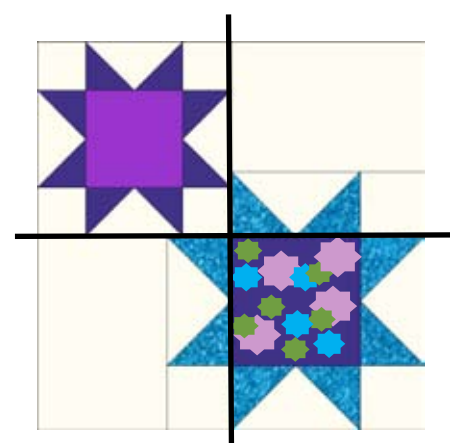

5. Make the lower left quadrant of the block. Stitch a 2½"x2½" white square to the LEFT of a turquoise flying geese unit. Press toward square. Now join this unit to the side of one of the 4½"x6½" white rectangles, as shown. Press toward rectangle.

6. Make the lower right quadrant of the block. Stitch the remaining 2½"x2½" white to the right of a flying geese unit. Stitch another geese unit to the right of the large print square. Press following arrows. Stitch these two units together.

7. Assemble block using these four quadrants. At the far right, I have taken the finished block diagram and overlaid dark lines to help you visualize the four quadrants.

Take a close look at that white fabric to tell right side from wrong side!

Questions or problems? Call Corrine Vance 757 234 3131.

*The block "Born Under a Wandering Star" is taken from the book The Block Book by Judy Martin.
