<div>Book Los Herederos (G) 2007 Elegant paperback with matte finish cover 21x14x0,5 cm 77 pages Spanish</div> <div>ISBN 0-9788539-1-1 €10</div> <div>This intense, true to life view of the Guantánamo of the author's youth and his studying period in Havana constitutes Gustavo Corrales Romero's debut as a writer. Readers consistently applaud the descriptiveness and humorous style of the prose employed for the childhood years (seventies). The diary elements used to often poetically describe situations during the eighties and turbulent post-Perestrojka nineties provide a sharp and intriguing contrast during the author's adolescence.</div>
