

THE TRAINING CENTRE OF WELLBEING

BUSINESS MANAGEMENT • BROCHURE

Successful holistic practitioners are often overwhelmed with the prospect of becoming self-employed and are perplexed at the amount of rules and regulations. This often results in the abandonment of the business, or employing an expensive professional. Here at the Training Centre of Wellbeing, we are committed to the success of our students and spreading the benefits of the holistic therapy. We want you to succeed.

The cost of the 3 days training is £250 and you are invited to join a business development group on facebook which has regular development and money saving tips.
