## Serving South Florida Since 1973

Who is Umberto? Umberto is the first name of one of eleven children, who came from Naples, Italy to seek the "American Dream". While everyone else acquired different jobs, he began working in a pizzeria in Brooklyn, New York. Having learned the trade, he went on to New Hyde Park, Long Island to open the first of many "Umberto's" in 1965. Around 1973, with too many brothers in one place, it was time to branch out. It was a long branch that extended from New York to Florida.

The Corteo Family of Umberto's has been very proud to serve people from around South Florida and Long Island for so many years. We are truly grateful for our patron's support and continued business. We want to take this opportunity to express our gratitude. We couldn't have made it without you!

Thank you for making our dream come true.
