Skin Treatment

La Spa De Rouge Core Values

Our core values are to promote a healthy development and to view beauty as the scientific combination of hygiene and stress alleviation which every person should practice at least once a month.

Studies have shown that person who attend spa once a month live twice as longer as persons who don't.. Spa treatment should be taken into consideration if one intends to have a longer life.

History

La Spa de Rouge was established on 1998 by pier derouge. La Spa De Rouge Was intended for hard working people who wanted a relax and recuperate the name La Spa De Rouge means "The Red Spa" and the name was chosen because of the passion the colour embodies and the passion we have for the spa industry.
