

Children's teeth are meant to last a lifetime, and a healthy smile is important to a child's self-esteem. - Developing good habits at an early age and scheduling regular dental visits helps children get a good start on a lifetime of healthy teeth and gums. American Dental Association (ADA) has free online resources that can help you with resources - so join us in celebrating this year's theme: the Super Smile Team! ~ Miss Julie, Center Director

Imagine That Childcare

Where children are encouraged to explore, experience, discover and grow!

TIP OF THE MONTH:
LABEL
Lunches & Outdoor Gear

ALASKA STATE LAW REQUIRES....

Parents and Guardians - We must ask you to sign in your full name when dropping off & picking up your child - to be in compliance with the State of Alaska's Child Care Program Office (CCPO) who regulates and license child care facilities.

This is State law to keep your child safe. Thank you!

ALASKA PYRAMID PROJECT

We are pleased to announce that Imagine That Childcare has joined the Alaska Pyramid Project. (APP) The basis of the project is to promote social and emotional competence in infants and young children. This is a nationally recognized program which has had great success in early childhood and head start programs throughout many states. We hope to implement the Pyramid Model throughout our center and will begin with our Tiny Tot classroom.

This is a wonderful opportunity for our staff and the children that we serve. We are very excited!

OUR MISSION

Imagine That Childcare provides a warm loving environment, with developmental learning activities for children from 6 weeks to 12 years old. We believe that your child's needs are of the utmost importance. Our entire team is committed to meeting those needs.
