After Hours Service

As part of our service to patients, we have after - hours care arrangements in place.

If you require medical assistance up to 10pm (Monday to Thursday) please call 0475 365 236 to speak to Dr Risinger who will then provide care and further assistance as required for each individual case.

If you are unable to contact Dr Risinger, or it is outside of the above mentioned hours please call Health Direct on 1800 022 222.

Patients may also present to the nearest emergency department, which for patients residing in the Carnamah and surrounding communities is North Midlands Health Service.

In the event of an emergency please call 000.

When you are seen by Dr Risinger, or speak to her by phone your medical records are updated to ensure there is no loss of relevant information.

If you attend an emergency department or call Health Direct please remember to give them our contact details so that we may be informed of the treatments you have received, or any investigations that we may need to follow up on your behalf.
