

Thank you Pastor for all you have done

We knew you would be here
When we hit the door,
And it gave us strength
To always seek God for more

You were here through the cold
And through the rain
Through the sorrow
And the pain

Through the good times and the bad
We were assured that our pastor cared

Thank you for coming on your good days
To help us through the bad days
Thank you for coming on your bad days
To help us to see the good

Thank you for coming when you were sick
And when you were well
To help save another soul
From dying in hell

Thank you for your perseverance
When times were tough
So you could lead and guide us
Until we could get enough

Thank you, for challenging us in God
To make a choice and endure the chastening rod
We know that one day we can come forth as gold
Because we have a Pastor who has shown us the road.

May God continue to bless you
As you stay planted in His will
And make you a greater blessing
To even more still

Thank God for our Pastor
