

# Different Types of Family Therapy

## *Responding to Family Issues* SEMINAR #4:

<b>Purpose:</b>		<i>The Responding to Family Issues creates a plan for future use in how the family will collectively respond to an issue.</i>
<input type="checkbox"/>	Instructions	The “Responding to Family Issues” process provides a step by step path for a family to consider when developing their response in how to best create a solution to a family issue. Complete each step below to formulate your possible family course of action.
	Identify the Issue	First, identify what issue you are seeking to address. Write what you know about the issue. Then proceed.
<input type="checkbox"/>	Complete Family Transformational Response (F.T.R.)	Complete each section in the F.T.R. worksheet using your identified issue. This seminar reviews the “Different Types of Family Therapy” topics include: Identify the different types of family therapy, functionality and potentiality issues, and addressing obstacles of Denial, Enabling and Codependency. Determine which issue you seeking to resolve.
<input type="checkbox"/>	Complete Family Value Based Decision -Making Model	In the Family Value Based Decision-Making Model worksheet complete each section, then take that information and use it as your decision on what you will do collectively as a response to this issue.
<input type="checkbox"/>	Key Topic #1: Different types of family therapy	Your family will seek balance, by identifying with a professional therapist, which areas the family needs to adjust, the skills required to make this adjustment and a plan with the therapist on how to develop this change. Complete the practical exercise in the Seminar Workbook.
<input type="checkbox"/>	Key Topic #2: Which type matches your family needs	Your family members will seek to identify their level of need for therapy and the type that will most benefit the family dynamic. Complete the practical exercise in the workbook
<input type="checkbox"/>	Key Topic #3: Top choices for families	Your family members will seek to determine if any of these three obstacles are part of their contribution to the family dynamic: 1 Integrated Treatment Models, 2. Multidimensional Family Therapy
<input type="checkbox"/>	Complete a Family Plan of Action Worksheet	Determining the solution, making a values based decision, Understanding who can assist the family, by addressing the top three issues in your family through practical exercise are all wrapped into one call to action for the family members, This call to act is outlined through completing the Family Plan of Action. Complete the practical exercise in the workbook
