SLA SHOWS COMMITMENT TO COMMUNITY, LEARNING AND FRIENDSHIPS DURING FEBRUARY

February was a time for St. Lawrence students to learn more about what it truly meant to be committed and that commitment wasn't only about clubs and jobs, but friendships, family and our school work too. We learnt each Monday morning that showing commitment in our daily lives could help us find success, help us know first hand the feeling of achievement, and most of all help us show respect to who or what we are committed to. This month we recognized the students who displayed true commitment in our student body and the following students were recognized for their hard work and dedication to SLA:
Sk/1 - Jonathan Taylor
