Standard needles with an easy threading eye

Article Number	Size	Needle Count	Barcode
JJ11448	4/8	6	7 83932 20092 1

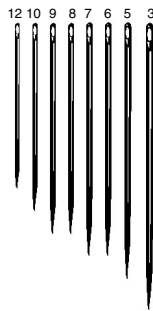

*Easy Threading or 'Calyx Eye' needles have a cut in the top of the eye to allow the thread to pass easily through. They are perfect for those who find it difficult to thread standard needles.*

## Quilting / Betweens

Short needles with sharp points

Article Number	Size	Needle Count	Barcode
JJ12005	5	20	7 83932 20019 8
JJ12007	7	20	7 83932 20021 1

JJ12039	3/9	20	7 83932 20025 9
JJ12050	5/10	20	7 83932 20026 6

Quilting Needles or 'Betweens' are specifically designed for quilters. The short length allows for quicker stitching than when using an ordinary sewing needle.

## Big Eye Quilting

Quilting needles with a large eye

Article Number	Size	Needle Count	Barcode
JJ12510	10	12	7 83932 20188 1
JJ12511	11	12	7 83932 20195 9

With a larger eye than an ordinary quilting or between needle, these 'big-eye' quilting needles are easier to thread.

## Curved Quilting

Curved Quilting Needles

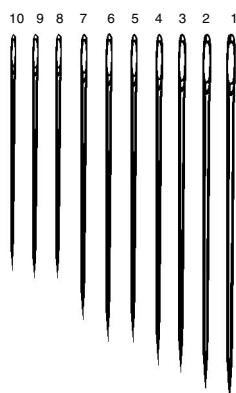

Curved Quilting			
Article Number	Size	Needle Count	Barcode
JJ60400	Assorted	4	7 83932 30052 2

Curved Quilting needles are the quilter's choice when creating fabric boxes.

JJ13550	5/10	16	7 83932 20041 9

*Embroidery needles are sometimes referred to as crewel needles. Very similar to a sharps needle, they have a longer eye than that of a sharp, making them suitable for threading stranded cotton/floss. Larger sizes are ideal for embroidering heavy fabric with twisted yarn.*

## Heavy Embroidery

*Large embroidery needles for working with twisted yarn*

Article Number	Size	Needle Count	Barcode
JJ68898	14	2	7 83932 30010 2

*Heavy Embroidery needles are large Embroidery sewing needles, in a pack of two: One with a sharp point and one with a blunt point. Typically used for crewel embroidery with yarn.*

## Ballpoint Embroidery

Short sewing needles with a rounded point

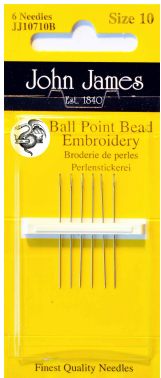

Article Number	Size	Needle Count	Barcode
JJ3637	3/7	10	7 83932 20122 5

*Ideal for embellishment of cross stitch or tapestry with beads, sequins and pearls without splitting the fibres of the base canvas.*

## Ballpoint Bead Embroidery
