*At The Ivy we believe in serving high quality food that is prepared in our kitchen using fresh, natural and, when possible, local ingredients. Our bread is supplied by Myers of Horncastle and as well as being really tasty and locally handmade with no preservatives, it is vegan and the wholegrain loaf is low GI. Our Lincolnshire sausages are always gluten free and from outdoor reared pigs.*

*We particularly welcome customers who want to eat delicious gluten free or vegan food.*

*Please Notify your waiter of any dietary requirements or food allergies!*
