

# LOVE AND GRACE MINISTRIES - HAITI

In the midst of all the protests and unrest, these smiling faces are a reminder of God's faithfulness in protecting and providing for L&G. On the left is Bewayson and Yvens and on the right is Dieuferson and Julio. Thank you for your continued support of them and all the boys at L&G.

Davidson Louis has been a great role model to the younger boys at the boys' home. We are excited for him as he transitioned to the Bridge Home a few weeks ago after his 18th birthday. We are thankful for the opportunity Davidson Louis and other young men have to continue their education and prepare for life after L&G at the Bridge. Please pray for peace and calm in their neighborhood so Davidson Louis and the rest of the Bridge can move to the newly rented Bridge Home. We are looking forward to the extra space this home will provide for the staff and hosting teams.

Jameson is the newest member of the L&G family. It's always bittersweet when we welcome a new boy, because we know it comes from a heartache or tragedy. We are thankful for Jameson to know love and have a family at L&G. For more information on sponsoring him or another one of the boys, please contact Nancy at [nan@nancyturner.com](mailto:nan@nancyturner.com).

More smiling faces... on the left: Watson, Bewayson, Sainfelove, Julio, and Mykel. On the right: Sainfelove.

- Please pray for Madame Altema and the other patients who had to leave the hospital because of the unrest. Please pray that she can get back to the hospital soon and make a full recovery. If you would like to help cover the medical bills incurred during this time, please contact Nancy at [nan@nancyturner.com](mailto:nan@nancyturner.com).
- Please pray for smooth transitions and moves to new homes. Also, pray for the sale of an old vehicle and the purchase of a new one.
- Midley our first young man who was able to transition out of L&G is doing well on the DR Soccer Team. Please continue to pray for him.
- We are thankful for those who donated their "birthdays" to L&G, purchased items from our Amazon wishlist, and remember to choose Love and Grace ~ Haiti on Amazon Smile. Don't forget to continue to check out our wishlist and continue to choose L&G on Amazon Smile.
