A Tri-Annual NEWSLETTER of End-Time Intercessory Prayer Ministry

“In all the work you are given, do the best you can. Work as though you are working for the Lord, not any earthly master. Remember that you will receive your reward from the Lord, who will give you what he promised his people. Yes, you are serving Christ. He is your real Master.” Col 3:23-24 (ERV)

THE FINISH LINE IS STILL MANY, MANY MILES AWAY

Did you discard or put away your racing gear already? “ETIPM is not over,” saith the Lord through a prophetic word on March 31, 2017. The journey still continues onto the next phases. No! It is not yet time to STOP.

The Lord has allowed us to celebrate our ministry’s 10th anniversary this past August in style yet with His full unction. His presence was with us to commemorate this great milestone, surrounded by

friends, family and colleagues. This certainly was not a retirement party for ETIPM, but it was to recalibrate our engine and re-focus our energy as He launches us forth into the next phases for the sake of the nations of the world.

We say “YES, Lord!” as we re-consecrate ourselves, shutting down the distractions and emptying ourselves of unnecessary clutter so we can listen intensely to that still small voice. The heart that

is ready will not miss out on what His voice is saying. His message is clear and URGENT and requires a violent spirit, a yielded heart and much flexibility. Can YOU hear it? Better yet, are you ready? If you blinked, we want to draw your attention to the fact that the next phase has already started.

Yes! ETIPM GLOBAL has officially been launched to activate those next phases! To God be all the Glory! Amen.

“Take a good look, friends, at who you were when you got called into this life. I don’t see many of “the brightest and the best” among you, not many influential, not many from high-society families. Isn’t it obvious that God deliberately chose men and women that the culture overlooks and exploits and abuses, chose these “nobodies” to expose the hollow pretensions of the “somebodies”? That makes it quite clear that none of you can get by with blowing your own horn before God. Everything that we have—right thinking and right living, a clean slate and a fresh start—comes from God by way of Jesus Christ. That’s why we have the saying, “If you’re going to blow a horn, blow a trumpet for God.”

Who Is Your Source? (Part 2) - by Sister Trish Dolphin

See Volume 2, Issue 2 for Part 1...

(visit <http://www.etipm.com/newsletters>)

The opening scripture in part 1 was Matthew 6:33. I believe that God wants to show you how faithful He is. In Romans 10:12, we read "For there is no difference between the Jew and the Greek, for the same Lord over all is rich unto all that call upon Him". That's the key and answer to all problems that we may encounter with God on our journey, that is to go directly to Him for answers in our situations, whether good or bad. God does not and will not use the devil to teach us anything, as some may have thought. NO, NO and one thousand times NO.

He will meet us on whatever spiritual level that we are in and will lead us by His Holy Spirit in the right direction in order for us to make the right choices. Exodus 15:26 says: "...if thou wilt do that which is right in His sight and wilt give ear to His commandments, and keep all His statutes, I will put none of

these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee." We need help in every area of our lives i.e., spiritual, physical, financial, and only He can bring it to pass (that's His supernatural on our natural.)

When the children of Israel disobeyed God and found themselves in trouble, they turned to God for help. His mercy and loving-kindness brought them through. (See Jeremiah 29:11-14) God not only restored them, He forgave them, healed them and forgot that it ever happened. Today we have His only begotten Son as our Savior (John 3:16). "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life." Why, because it's His love for His people and He waits for them to come back to Him in sweet fellowship and that's the heart of our Father, God.

Another example is the Prodigal Son in Luke 15:11:24. What love the heart of

our Creator, our Father, has for us; He who sees and knows all things before we experience them. He promised to be there for us 24/7, for He never sleeps or slumbers in what concerns us in this life. He is always watchful and ready to take care of our needs. He waits for us to come back to Him and bring us out again and again. He does care (Psalm 55:22) and promises that He will not suffer the righteous to be moved.

If you have accepted His Son and believe in Him and His finished work at Calvary, God sees the blood of Jesus Christ and also will respond to His Son's prayer for us in John 17:15-16: "I pray not that thou shouldst take them not out of the world but that thou shouldst keep them from the evil". "They are not of the world even as I am not of the world". This also lets us know that as God keeps Jesus during His days on earth to finish what God has started with our Savior, God can keep us until our work is finished here on earth. Amen.

A Letter of Gratitude - by Deaconess Marcia Thomas

Well, it has been one year since I joined ETIPM (End-Time Intercessory Prayer Ministry) now Global, Glory to GOD! My heart is full of gratitude for this ministry. I can still remember the day I was told about this ministry that was coming to Gracepoint Gospel Fellowship to hold their conference; of their need for a deacon to play the worship songs. I felt a green light in my spirit, after checking with my husband, I had full clearance to assist this ministry. I prayed that I would be able to flow with the Spirit as I played the worship songs I was given. When I met Pastor Mireille, I started to wonder if I had taken on more than I could handle. Some of the songs I had never heard, however, God Who Is good to me provided for the songs to be found and be loaded into the system by our now Minister Cintron. I was now free in my thoughts to pray and be in tune with the

leading of the Holy Spirit! As the conference got started, I was a bit nervous, wanting everything to flow according to the Spirit of God! When called upon to play the songs, I continued praying for all to go well, I did not want to interrupt the flow of the Spirit! There were times when the Spirit of God was moving and I entered into praise and worship, ever mindful that I was there to flow with the meeting. I am so grateful that the Lord helped me to know when to start and when to stop a particular song. When the conference ended and Pastor Mireille gave me an envelope for my services, I was taken aback by the honorarium. I checked with Pastor Floyd to see if it was mine to keep. He assured me that it was all mine for my time and services rendered! I promptly thanked the Lord

for His goodness, cashed it and gave the LORD the tithes and the offerings! My saying is that you can't beat the Lord's giving, but it is sure a lot of fun trying! Once again the Lord showed me how much He was willing and able to help me as I stepped up and stepped out and not let fear of failure stop me! I am still receiving the blessings from this ministry as I trust the Lord to lead and guide me each time I participate on the prayer line! Once again, I praise the Lord!

Howard got the transplant on the 7th of February, which is also my birthday. That was a true birthday gift from God to me. Praise be our Heavenly Father, Howard is doing extremely well!

Only You, Lord! - by Sister Clover Nembhard

Greetings to Pastor Mireille and all of ETIPM intercessors, I can certainly join with Psalm 133:1 "How good and pleasant it is for brethren to dwell together in unity." This unity is not just physically, but it is in our heart, soul, spirit and mind. To be able to touch and agree in prayer is a wonderful blessing from God through His Son Jesus Christ.

I must give glory, honor and praise to God for His unfailing love, mercy and grace and for using His servant to form this powerful ministry; a ministry that honors Him above all else and seeks to give Him the glory that is due to His Name. I thank God for choosing all of the intercessors in the ministry and for their commitment to this great call. For to be called and chosen by God is one of the highest calling on anyone's life.

ETIPM has been a tower of strength to me in a time when my family and I needed prayers, encouragement and support. I remember getting on the prayer line so many times to hear an interces-

or praying for my nephew Howard who was very sick and needed a liver transplant. As I submitted my report I can say, "glory to God!" Howard got the transplant on the 7th of February, which is also my birthday. That was a true birthday gift from God to me. Praise be our Heavenly Father, Howard is doing extremely well!

My son William was on the prayer list and a special fasting and prayer was held for him also. I can truly say that the Holy Spirit is dealing with his heart and he is moving into his God-given divine destiny.

I am truly blessed and favored by the Lord to have the precious saints in Christ of ETIPM praying for me. I lost my job two months ago and I can truly say that I have proven God to be my "Good, Good Father," and prayers have been answered. God has opened doors and windows for me even though I have not gotten back a job for myself as yet, he allows some of my acquaintances to give me some of their hours to cover.

There is food on my table and my bills are paid.

I give God thanks for the opportunity to cover a session on the prayer line, I can't express how much this means to me, it is an uplifting and a very sacred time that I look forward to. I am very disappointed whenever I am unable to cover that session and I pray that my work schedule will enable me to cover much more than I am doing right now. This ministry is helping me in my daily walk with the Lord and helping me to reach another level in my prayer life.

May the Lord open up new doors of opportunity for this ministry and give pastor Mireille more vision in this end time! I give God thanks for her family who is a tower of strength to her! May the blessings of God be continually upon their lives, and may ETIPM grow from strength to strength. Amen.

I'm a 10-Year Survivor Because I Had New Cancer Treatments At A Mexican Cancer Clinic

A Mexican cancer clinic saved my life in 2007 by using new cancer treatments. Hi, I'm Peggy Sue Roberts, a 10-year, stage-4 cancer survivor. I live in Southern California and I'm very blessed to be alive today. I certainly wouldn't be here today if I took the medical advice of my conventional oncologist. He simply said oncology couldn't do anything else for me because of my near death reaction to chemotherapy. He sent me home to die in 2006.

Instead of accepting his prognosis, my husband Jim and I had decided to try alternative cancer treatments after some research. I

arrived at the Mexican cancer clinic in a wheel chair with just several weeks to live. I was very weak, and felt like I was going to die. But I had the will to live! After several weeks of alternative cancer treatments, I was a new person. I felt strong, and alive. My husband, Jim, and I walked out of that clinic with huge smiles on our faces. I knew I was going to live.

A few weeks after returning home from Mexico, I went to see my conventional oncologist. He was in mild shock after receiving the results of my "after" PET-scan test, compared with my first PET-scan.

He said, "I've never seen anything like it in my life, Peggy. Your blood test is perfect, and your PET-scan didn't detect any cancer at all." I never told him I had been to a Mexican clinic and received new cancer treatments and he never asked, which I can only imagine was because he never really cared.

After getting new cancer treatments at a Mexican cancer clinic in 2007, I've enjoyed 10 additional years of life that's been given to me. I feel great today, and I thank the Lord for the additional time with my family. ***Results may vary.**

Six New Cancer Treatments I Used At The Clinic:

These are some of the top natural and alternative cancer treatments used to transform Peggy Sue from terminally ill to healthy. Of the 16 or more therapies offered, here are six new cancer treatments the clinic used for Peggy's treatment program:

- Hyperthermia (local/wholebody heat)
- Sonodynamic Therapy
- Insulin Potentiation Therapy (IPT)
- Oxygen Treatments
- Enzyme Therapy
- Halo (Biophotonic) Therapy

The Pieces to Our Lives - by Sister Fiona Watson

2 Timothy 3:1-5

(NLT)

You should know this, Timothy, that in the last days there will be very difficult times. For people will love only themselves and their money. They will be boastful and proud, scoffing at God, disobedient to their parents, and ungrateful. They will consider nothing sacred. They will be unloving and unforgiving; they will slander others and have no self-control. They will be cruel and hate what is good. They will betray their friends, be reckless, be puffed up with pride, and love pleasure rather than God. They will act religious, but they will reject the power that could make them godly. Stay away from people like that!

Some people look at the complexities of life and view them like the pieces to a puzzle. One in which we must put the pieces together to understand the 'WHYS'. If life is truly a puzzle, why is it we cannot put the pieces together and hang it in a frame on our living room wall? That is, live a worry free life.

With a 250/500-piece puzzle, everything comes jumbled in one box, and all we have to do is to open, and in a few hours, days or even months we have a masterpiece. Unfortunately, this is not true to life. For some, solving a puzzle is boring while others actually enjoy it and consider themselves experts with strategies to solve them. Another type of people just don't have time for puzzles while others just simply hate them.

I think life can be likened to a puzzle. A puzzle has pieces, so do our lives. Unlike a box of puzzle,

the pieces to our lives are not limited to a specific number, color or shape, but we do box some of life's pieces (trials) away and TRY to move forward.

Both puzzle and life, require trials and errors to fit the pieces together. Some of our greatest experiences and inventions were birth through trials and errors. Some people enjoy life, some find it boring, some have strategies to deal with it, while others don't want to deal with it.

At the end of the day, to be complete, that is: framed and hanged on a wall, we NEED Jesus! He is the One who has ALL the pieces to the 'puzzle' of our lives. Some of our puzzle pieces, (parts of our lives), are lost or taken by those who entered or left our lives (relationships, friendships) and are hidden or buried in places long forgotten. BUT

GOD...! He knows where all the missing pieces are, and He can put them back together, better than they were before. The wonderful thing with Life's Pieces is that you won't need all the missing pieces to fit them together completely. For example, bitterness, hurt, unforgiveness, etc., you can CHOOSE to remove. God will replace them with what you need meaning love, hope, joy, peace, etc. Such favor you won't get in a box of puzzle.

The pieces to our lives are being continually and strategically put into place by our Father, and even long after we are gone, like the PROMISE, they will live on in our children...

LIFE MIGHT NOT BE A PUZZLE, BUT IT SURELY IS PUZZLING!

Honoring His Unconditional Love - by Sister DeHavillin White

I'm honored to be part of God's plan; and this journey has just began for me. I didn't think that God could still use me! But when I went on the ETIPM prayer line I began to feel the unconditional love that only the lover of God in the Holy Name of Jesus could understand. I learned to trust God more and I know that God wants to

train me up for such a time for His glory.

I have listened to my newly found family's voices for many months, picturing in my mind what they might look like. But the Holy Spirit had me know their spirit first so I would not pre-judge them.

I was so happy to have finally been able to put the faces to their

names. What a beautiful day it was at the celebration of ETIPM's 10th Anniversary! It was such a blessing to me! God loves us so much!

Many are called, but not all have answered. We will continue on, in Jesus' Name! No prayer shall remain un-prayed! The prayer that is prayed shall not remain unanswered! Amen.

Thankfulness - By Sister Barbara Jenkins

Thankfulness sums up my experience with ETIPM!

To begin, I thank God for choosing me to be an intercessor. He called me at a very early age to pray for others. In 2010, the Lord led me to this powerful prayer ministry through my dear sister in Christ, Minister Brenda Robinson. These

seven years have taken me through a journey that I would not have been able to tread through with such victory. My iron has indeed been sharpened through ETIPM.

I am so thankful to the founder and pastor of ETIPM; Pastor Mireille Desrosiers who has been

consistent in the mission of this ministry throughout the last ten years. It was indeed such a great honor to be recognized at our tenth year phenomenal celebration banquet. I am so excited to see what the Lord has in store for the next phases as ETIPM GLOBAL marches forward. Amen.
