#611 CHLOR-CLEAN

Tech Data Sheet

#611 Chlor-Clean is the same heavy duty cleaner/degreaser as #611 only with bleach added to enhance deodorization and cleaning. Excellent cleaner for meat cutting areas, bakery equipment, and interiors of food hauling trailers.

Benefits

- Aggressive degreaser for heavy grease and oil
- Use with hot or cold water
- Can be used through a pressure washer
- Chlorinated for deodorization and added cleaning

Applications

- Floor scrubber
- Food distribution trailer washouts
- Meat cutting areas
- Bakery equipment

Precautions

- Contains Potassium Hydroxide and Chlorine Bleach. Consult the product Safety Data Sheet for further safety information.

Note: Cleaning effectiveness is affected by: temperature, concentration, dwell time, water hardness, and soap application pressure. Soap concentration may be adjusted to compensate for changes in these conditions.
