2. Our lobby and change rooms will be closed to all parents and dancers.

- Upon arrival to the studio, we ask that parents do not enter the building. We will have senior dancers or a teacher available to assist our younger dancers to the correct studio.
- We will have hand sanitizer available at the front lobby door for all dancers to use upon entry to the studio.
- We ask that dancers only bring necessary belongings with them as our change rooms will remain closed. We will have cubbies available in each studio for belongings, but we do ask for as minimal as possible to be brought in and that all belongings are in a bag.

- Prior to each class starting, we will take attendance to ensure if anyone reports an illness it can be quickly communicated to our parents.
- We ask that parents wait in the car (or outside the studio if nice weather) during dance lessons to allow for social distancing and infection control requirements.
- Our entrance and exit system will continue - Students and teachers must enter through the front door and exit through our back door.
