

HAPPY SPRING PARENTS & FRIENDS

March 9th is daylight savings - join us in "Springing" forward by making sure your child has a full, labeled set of outdoor gear - so they can enjoy the longer, warmer days with their friends outside. Children who spend time outdoors are more creative and able to better concentrate on learning! We look forward to warm feet and hands this month!

ALASKA STATE LAW REQUIRES....

EMERGENCY CONTACT

HEALTH WATCH

Local pediatricians are concerned about increased bacterial pneumonia cases in Fairbanks. Symptoms come on quickly and may include: Cough (usually mucus), fever, fast or short of breath, shaking from chills, chest pain, increased heartbeat, nausea/vomiting, diarrhea. Mild symptoms are called "walking pneumonia". A visit to the doctor for prescribed antibiotics is the usual treatment (viral pneumonia is usually not treated with antibiotics). Please help us keep our school friends healthy by keeping children home if they are exhibiting these signs until they can be seen by their doctor.

OUR TWO FAVORITE GREEN HOLIDAYS

Dr. Suess Day on March 3rd and Saint Patrick's Day on March 17th!
We'll be celebrating throughout the month with various green snacks and treats.
