

# I CONCEAL

## WHY I CONCEAL?

- \* All-in-one illuminating, lightweight and water-resistant foundation heals and conceals revealing a healthier, flawless complexion every day. Daily healthy skin foundation with CPN™ System.

**Correction:** *Hide imperfections with perfect color match.* **Prevention:** *Daily sun protection, healing and anti-aging.* **Nutrition:** *Oxygenating and nourishing botanical ingredients.* Available in 6 colors for every Fitzpatrick skin type.

### \* Innovative Ingredients

- 1| **SulforaWhite:** effectively inhibits melanin production, provides brightening benefits and fades the appearance of dark spots and discolorations
- 2| **8.5% Zinc oxide:** UVA/UVB Broad-Spectrum protection; anti-inflammatory
- 3| **11.5% Titanium dioxide:** UVA/UVB protection
- 4| **RejuvenOX PFD** (perfluorodecalin): oxygenates skin cells throughout the day; breathable foundation; wound healing
- 5| **Plant stem cell culture** (phytoCelltec solar vitis): plant-derived stem cell for regenerative purposes
- 6| **EpiCalmin TCM** (lonicera japonica flower extract): soothes irritation; strengthens skin's natural defense system

- 7| **Zinc PCA** (zincidon): increases hyaluronic acid and collagen production. Soothing and calming; reduces sunburn pain

- 8| **Biodynes® TRF®:** increases oxygen uptake in the cells to increase cellular respiration and wound healing. Increases hyaluronic acid and collagen production; soothing; reduces redness

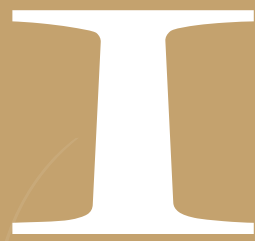

- 9| **Acetyl hexapeptide-8** (Argireline®): inhibits facial muscle contractions
