CHAPTER TWO

Relating to the Constituent Councils

Article I

COUNCILS-OFFICERS-RELATED MATTERS

2-101. SEAL.--Every Council working under a Warrant of Constitution shall provide a Council Seal, having in its center some Cryptic device, surrounded by the name, number, and location of the council and the date of its Warrant. The Recorder shall have it in charge and with it authenticate all notices, summonses, official communications, and reports of any of its officers except the annual report.

2-102. COUNCILS U.D.--FEES--Before Letters of Dispensation shall be granted for opening and holding a new council for Cryptic work, the petitioners shall pay to the Grand Recorder the sum of Twenty Dollars (\$20.00) therefor. If the Letters of Dispensation be continued by order of the Grand Council, or renewed by the Grand Master, no additional fee shall be requested.

2-103. WARRANT OF CONSTITUTION-- Before the Warrant of Constitution shall be delivered to the petitioners, they shall pay to the Grand Recorder, for the use of the Grand Council, Twenty Dollars (\$20.00) if Letters of Dispensation have been previously issued; otherwise they shall pay Forty Dollars. (\$40.00)

2-104. ELIGIBILITY TO OFFICE.--All officers of the council must be chosen from the membership thereof. No officer of a council, other than Trustee, shall be permitted to hold more than one office in the council at the same time.

2-105. INSTALLATION--All officers shall be installed by the Master or a Past Master but only when personally present. The elective officers shall be installed on or before December 27th except by authority of the Grand Master. The appointed officers may be installed at any time the Master may order. Elective officers who have been elected to succeed themselves need not be reinstated, since all elective officers retain their offices until their successors are qualified and installed. (1973)

2-106. TITLE--The Councils in this Grand Jurisdiction shall be titled _____ Council No. ___ of Cryptic Masons and shall effect this name on all material bearing the name of the Council when replacing the supplies of this material. (1980)

2-107. VACANCIES--A vacancy shall exist in any elective office upon the death, suspension, expulsion or insanity of the incumbent, or should an elective officer for any reason be unable to attend regularly the assemblies of his council, or properly perform his official duties; Provided, that removal from the territorial jurisdiction of the council does not make the officer ineligible to continue in office unless such removal interferes with his regular attendance or proper performance of his duties. Upon the occurrence of any vacancy by death, suspension, or expulsion or upon the declaration by the Grand Master of a vacancy for any other reason, the Grand Master may order an election to fill the vacancy; and if an elective officer be chosen to fill the vacancy, then the office held by him shall immediately become vacant and shall be filled by election at the same assembly. Any officer elected to fill a vacancy, as herein provided, may thereupon be installed without dispensation from the Grand Master.

ARTICLE II

MEMBERSHIP-TRANSFERS-DIMISSIONS

2-201. DEPENDENT MEMBERSHIP--Membership in a council shall be based on membership in a Lodge of Master Masons and in a Chapter of Royal Arch Masons, and when such membership in a Lodge or Chapter ceases by reason of expulsion,

suspension, or non-affiliation in either Lodge or Chapter, the membership in the council shall also cease.

2-202. TRANSFER OF MEMBERSHIP--A member, desirous of transferring his membership to another council, may make application to his council for, and be granted a Certificate for that purpose in the same manner and upon the same conditions as in making application for a dimit. The Certificate so granted shall be signed by the Recorder, and under the seal of the council granting the same, and shall state:

(1) That the applicant is a member in good standing of the council granting the Certificate;

(2) The name, number, and location of the council in which he desires to place his membership; and

(3) The term for which the Certificate is granted, which term shall be not more than ninety days from the date of said Certificate; and such certificate shall be null and void from and after the expiration of the term thereof, unless the companion's petition is in the hands of the Investigating Committee.

When such Certificate is issued it shall not be delivered to the member requesting it, but shall immediately be transmitted to the Grand Recorder by the Recorder of the council issuing the same. The Grand Recorder shall at once transmit the same to the Recorder of the council named therein, and such council may receive the companion's petition for membership accompanied by such Certificate, in lieu of a dimit.

After the companion has been elected, his membership in the council granting the Certificate shall thereupon cease, and it shall be the duty of the Recorder of the council electing the companion to membership to enter across the face of the Certificate the date of the companion's election, and forward it to the Grand Recorder. The Grand Recorder, upon receipt of notice of the election of said companion to membership, shall forthwith notify the council granting the Certificate of such fact, and thereupon the Recorder of the council issuing said Certificate shall issue a dimit as of the date the companion was elected, and forward the same to the Grand Recorder, who shall in turn forward it to the council in which the companion was elected to membership. When a Certificate is outstanding at the close of the year, the Companion's name shall be listed with the roll of members of the council issuing the Certificate, and it shall pay the per capita tax and any special assessment on him. In case the petitioner is elected to the council petitioned prior to December 31st, the council issuing the Certificate shall, in submitting the Annual Report the next year, take credit for the Grand Council per capita tax and any assessment which it may have erroneously paid upon him. This law shall not modify or curtail any law now in force relative to dimits.

2-202a. A member desiring to transfer his membership to another Council in this Grand Jurisdiction may sign a form provided for that purpose and in addition thereto sign a request that a dimit be issued and forwarded to the Council to which he is transferring when his election is reported.

A Council receiving such a petition shall handle the same in the usual manner. If the petition is approved by unanimous ballot by the receiving Council, the Recorder shall send such said notice of election and request for dimission to his home Council which will issue this dimit in the usual order and return the same to the Secretary of the receiving Council.

Correspondence concerning transfer from a Council in other Grand Jurisdictions shall pass through the Grand Recorder's office in the respective jurisdictions as provided by By-Laws. (1975)

2-202b. DUAL MEMBERSHIP.--Any Companion belonging to and in good standing in a Council within this Grand Jurisdiction may petition for dual membership with another Council within this Grand Jurisdiction or another Grand Jurisdiction whose By-Laws allow dual membership. A dual membership entitles the Companion to all rights and privileges and he may hold elective office in more than one Council at the same time. Provided further, Dual Membership shall be subject to all laws and restrictions of either Grand Jurisdiction and their constituent Councils. (1997)

2-203. SUSPENSION-RESTORATION-REINSTATEMENT.--A member in arrears for the current year's Council dues shall, by affirmative vote of the Council, be suspended from the roll of Council membership. If a member under suspension for non-payment of dues only, shall pay the amount of indebtedness to the Council (including current year's dues) by the last day of June following the date of suspension, the Recorder shall announce such payment, and the member shall be restored to membership without further action. The date of restoration shall be the date of said suspension. If more than six months have elapsed, he must petition his Council for Restoration and the petition must show payment of the current year's dues. If the suspension was for any other cause, the petition shall show a laudable effort to correct the wrong.

Restoration or reinstatement of one who has been suspended or expelled in a Lodge or Chapter shall automatically restore or reinstate his eligibility to membership in the Council. Reinstatement under other conditions shall be by petition. (2002)

2-204. DUES AND DIMITS—An applicant need not state his reasons for dimission therefor. He may make his request orally or in writing at any Stated Communication. The Illustrious Master shall order the granting of such dimit unless the member applying therefor be at the time an elective officer of the Council, have charges pending against him, or be under pecuniary liability to the Council. When the application is granted, the Recorder shall record the transaction in the minutes and give to the applicant a certificate of such dimission, showing that he was in good standing and that his Council dues were paid to date. (2011)

2-205. DIMITS, OTHER BODIES—The issuance of a dimit from a Council of Cryptic Masons will require the Council to inform the Commandery of Knights Templar (if a member) to be automatically issue a dimit. The issuance of a dimit from a Chapter

of Royal Arch Masons will require a dimit from the Council of Cryptic Masons to be issued. (2011)

2-206. DIMIT, LIMITATION—The right under a dimit shall continue for life. A dimit is a resignation of membership. A Companion holding a dimit has no Masonic rights in the Cryptic Rite of Freemasonry. He is not eligible to visit or sit in a Council and is not entitled to Council services at burial. He is not entitled to aid or charity. His only right is to petition a Council for Membership. To be eligible to be reinstated to a Council of Cryptic Masons and he must be a member in good standing of a Chapter of Royal Arch Masons. (2011)

ARTICLE III

DUES-FINANCES-AUDITS

2-301. COUNCIL DUES--A Council may provide a revenue for its support by requiring each member to pay annually a specific tax to be fixed by its By-Laws, and, at any Stated Assembly, by a majority vote of its members present, it may assess an additional tax for current expense and for charity, which shall be held to be a special tax for emergent purposes.

A council may remit the dues of any member for inability to pay the same, and for any other cause which shall seem just and equitable to a majority of all the members present; however, such remission shall not exempt the council from paying the regular per capita tax on such members.

2-302. COUNCIL DUES-PAYABLE IN ADVANCE-SUSPENSION--Council dues shall be payable in advance and shall be delinquent if not paid on or before January 1 of each year. If same are not paid by the date of the Annual Assembly in December thereafter, the member shall be suspended on that date to be effective as of December 31 thereafter. (1997)

2-302a SUSPENSIONS-DUTY OF RECORDER--At least thirty days prior to the Annual Assembly the Recorder shall serve each member with a notice of the date of the Annual Assembly and his indebtedness, if any, to the Council. The notice may be served in person or by mail in a sealed envelope to his last known address. If the member is owing dues for the current year such notice may, at the Recorder's discretion or on advice of the Master, be sent by registered or certified mail with return receipt. (1997)

At the Annual Assembly, the Recorder shall submit to the Council a list of the names of all members whose dues are unpaid for the current year. The Master or the Recorder shall certify that each member has been served with the proper notice or that same has been mailed to his last known address. The Master shall, upon affirmative

vote of the Council, declare any or all such members suspended from all the rights and privileges of Cryptic Masonry for non-payment of dues, the decree to become final at the close of the calendar year unless the amount of dues owing is paid; the record date of such suspension to be December 31. (1997)

A Council may, for good cause, at the Annual Assembly by a majority vote, remit the dues of any member. (1997)

2-302b. PERPETUAL MEMBERSHIP--The Grand Council of Cryptic Masons of Kansas shall establish a Perpetual Membership program which shall make available to each member in good standing in any constituent Council in Kansas the voluntary prepayment of a Perpetual Membership fee in lieu of annual dues. (2002)

2-302c. In no event shall a Council Perpetual Membership be issued for less than seventy-five dollars (\$75.00)

2-303. AUDIT OF ACCOUNTS--Every Council shall have a Standing Committee on Finance, consisting of three members to be appointed by the Master, whose duty it shall be to carefully examine and audit the accounts and records of the Treasurer and Recorder immediately after December 31st of each year, submit a full report in writing at the next succeeding Stated Assembly, which report shall be signed by the committee and spread in full on the minutes; Provided, such assembly does not occur in less than ten days after December 31st, in which case the report shall then be submitted at the next succeeding Stated Assembly.

2-304. SURETY BONDS--Any officer who has the handling of any moneys belonging to a council shall execute a surety bond in an amount commensurate with the funds in his charge or handled by him, the premium on such bond to be paid by the Council.

2-305. OFFICIAL RECEIPTS FOR DUES--No council within this jurisdiction shall issue a receipt for dues except upon a prepared blank form to be furnished by the Grand Recorder, which form shall contain a printed or lithographed certificate with facsimile signature of the Grand Recorder and Seal of the Grand Council, to the effect that the council issuing the receipt is a lawfully constituted council of Cryptic Masons working under the jurisdiction of the M.: I.: Grand Council of Cryptic Masons of Kansas. (1980)

ARTICLE IV

MISCELLANEOUS

2-401. RIGHTS OF MEMBERS ONLY RESTRICTED BY PRESCRIBED RULES--The specific taxes required by a council and the per capita taxes required by the Grand Council shall be included in the terms "council dues" or "dues". The neglect

or refusal of a member to pay his council dues shall not deprive him of any right or privilege in the council or as a Cryptic Mason, until by some prescribed rule of procedure, such right or privilege has been restricted.

2-402. PILGRIMAGES--Upon proper application the Grand Master may issue a dispensation authorizing any council to make a pilgrimage to some other place than where it is permanently located, there to receive and ballot on petitions, and confer the several degrees of Royal Master, Select Master, and Super Excellent Master. No fee shall be charged for such dispensation.

2-403. RITUALS--The rituals of the degrees of Royal Master, Select Master, and Super Excellent Master adopted and promulgated by the General Grand Council, together with the Charge to the Royal Master, shall be made available to the councils as follows: Ten copies of each Ritual and the Charge shall be furnished to each new council without charge; councils may be furnished additional copies at cost by the Grand Recorder.

2-404. BLANK FORMS AND RECORD BOOKS--The Forms and Record Books approved by the Grand Council shall be the adopted ones for use by all councils in this Grand Jurisdiction. The Grand Recorder is hereby authorized, with the approval of the Council of Administration, to designate an Official Printer who shall, upon application, furnish these Forms and Record Books; Provided, however, that nothing herein contained shall prevent councils from having Forms and Record Books printed elsewhere if they meet the requirements as indicated above.

2-405. REFERENCE BOOKS--The Constitution and By-Laws of the Grand Council, the By-Laws of the Council, and the Annual Proceedings of the Grand Council shall be available for reference during any stated assembly of the council.

2-406. SUSPENSION OF BY-LAWS--A Council shall not suspend its By-Laws for any purpose whatsoever.

2-407. REPEALING CLAUSE--All By-Laws heretofore enacted, adopted, or approved, and not included in the foregoing, are hereby repealed.
