Auction News: Helping with donations

This year we will once again be asking you to help with auction donations by contacting businesses as a follow up to our letter.

You will be receiving an "opt out" form this week if you choose to NOT help make follow up calls to businesses. There is a fee to opt out of auction calls.

During the month of February, there will be auction information sent to you to explain how we need your help to have a successful auction event.

Please look over all auction forms and letters closely and call the school or email with questions. THANK YOU for your help!
