Note:

- Ribbon counts are approximate. The more ribbons I have to choose from, the better!
- All items are unique, one of a kind creations, based on your ribbons and/or photos.
- Wall Quilts come complete with hanging sleeve and are ready to be hung.
- Table Runners have a pretty fabric on the back and are fully reversible.
- Ribbons (and all items made with them) are NOT machine washable, they are decorative only. Cleaning instructions will be provided with purchase.
- Photos are transferred directly onto specialty fabric. It is best to email them but you can include them with ribbons if necessary (they will be returned unharmed).

Other Important Stuff

1) Because of my design process, all ribbons are taken apart when they first arrive to be able to customize a design for you. Although every effort is made to use all ribbon tails with words on them and many of the rosettes, there are usually some that cannot be fit into the design, With that in mind:

A) If you have favorites that absolutely, positively, must get in, put them in a separate bag and note here how you have marked them _____

B) Do you want the unused parts returned to you? _____ yes _____ no

If you do not want them back, be assured they will not go to waste. I will use them to design new products and create additional samples.

2) Do you want the rosettes included in the design? _____ yes _____ no

The rosette is the round center part of the ribbon.

3) Backing and binding are 100% cotton fabric (of my choice) to match your ribbons.

But...if I need to add fabric to the front to make a design work, is it ok for me to use what I think works best? _____ yes _____ no. If no, what color do you want _____

4) All Ribbon quilts are approximate in size. If it must be an exact size to fit a certain area in your home, please note that size here _____

5) Do you need the quilt completed by a certain date? What date? _____

Please allow 8 to 10 weeks for completion

When your quilt is near completion, I will notify you to send the balance due.

Quilts will then ship via UPS or USPS.

Now that you have answered all my questions, all you have left to do is:

1) Pack up your ribbons. Place your ribbons in a plastic bag then put into your shipping envelope or box. Don't worry about them being flat and neat, I will iron them when they arrive. However, please make sure they are not extremely dusty or full of cobwebs. If they are, contact me for cleaning instructions to avoid an additional cleaning fee.

2) Print out, fill out, and enclose this order form.

3) Call or email to confirm correct shipping address (dates below are approximate).

610-721-9027 or quiltedhorse@icloud.com

4) Mail or ship via UPS to: Quilted Horse Designs c/o Janet Bergman

April-October 464 Geigel Hill Rd.

Ottsville, PA 18942

or

November-May 844 N. Barfield Dr.

Marco Island, FL 34145

5) Notify me that you have sent your ribbons, so I can be on the lookout and let you know that they arrive safely.

As always, if you ave any concerns or questions, please call 610-721-9027.
