1/15 Spelling Bee @9:00	1/31 Talent show
2/3 Penny wars cover transportation for all school field trip	

Administrator Report: Joelle Sedviy

Christmas dinner for teachers was a success.

Pastor Stenzel and Joelle are visiting churches to talk about our school. An administrator from McDonald visited them. Joelle gave a tour for next year to two kindergarten parents. Joelle is applying for various grants, one grant was approved for \$250.00 for music risers. Three new laptops will be installed, received a technology grant to purchase them. Mrs. Krizan has questions regarding enrollment for next year, Joelle said we do not have information at this time to make decisions. Parent contacted Joelle about students playing on large snow piles and concerned about them getting hurt. Board members would like parents to tell their children if they do not want them to play there.

Discussion was held regarding tuition for 2020/2021. Suggestion was made to maintain the present tuition at this time. Shawn/Jessica made a motion to keep the tuition the same for next year. Motion carried.

Teacher evaluations were presented and discussed. Shawn stated that he has seen and heard disruptive and inappropriate behavior from some students at the school. There will be follow up regarding this problem.

James adjourned the meeting. Board closed with prayer.

Shirley Rosenow, Secretary
