Re: Colonial Life Benefits Package

To whom it may concern,

Trimcraft of Ft. Myers, Inc. has offered Colonial Life products through Owens Employee Benefits of Florida since 2017. I have personally benefitted from the dental, and vision plans. I was very impressed with the savings. My son has benefitted from the services of Teledoc and was also pleased with the outcome. Mr. Owens is very profession, and does not hesitate to assist with any claims, or question that need to be addressed. I have received nothing but good reviews from the employees that participate. I would recommend offering these services without hesitation.
