

## 2018 - 2019 PRICING GUIDE

# WEDDING INVITATIONS

*(3 pieces - ceremony, reception/ accommodations & response)*

---

To get an idea of how much you can expect to pay, add the design fee (existing or custom), printing fee (based on quantity), and envelopes/ add-on items (page 7), to get your total.

We also offer 'semi-custom' designs - an existing design that needs a little more tweaking than just changing out names/dates, but isn't completely custom. Contact us for pricing if this is something you might be interested in. *(All pricing is subject to change.)*
