

CENTER FOR EMOTIONAL HEALTH

Identification - For the protection of our patients, and to reduce medical identity theft, all patients are required to present a valid insurance ID card and/or driver’s license at the time of service. If a driver’s license is unavailable, a valid photo ID must be presented.

Missed Appointments - There will be a **\$75.00** fee for any missed appointments unless the appointment was canceled or rescheduled at least 24 hours in advance. It is still considered a no show, even if you do not receive a courtesy call. If you incur this \$75.00 fee, we cannot refill prescriptions, comply with requests for record transfers, or any other requests until this fee has been paid. Any balance must be paid prior to receiving any services. If you receive three (3) no shows, you are subject to being discharged.

Inappropriate Behavior -Patients may be discharged due to behavior. Please be respectful to all office staff. Disruptive behavior may result in being discharged.

Late Appointments - If a patient is **5 minutes** late for a follow-up medication management appointment, the patient must reschedule. If a patient is **15 minutes** late for an initial appointment, the patient must reschedule. If a patient is **15 minutes** late for a follow up appointment with a therapist, the patient must reschedule.

Prescription Refills - Please allow 48 to 72 hours for your prescription refill request to be completed. If you are prescribed medication, you will be provided an initial prescription and refills to last until the suggested follow up visit. It is the patient’s responsibility to schedule a follow up appointment before the prescription runs out to ensure a continued supply of the prescription. Medication refill requests will be denied if the patient fails to keep follow up appointments. Routine prescription refills will not be provided on the weekends.

Disability - There is a **\$150.00** charge for the completion of each set of disability paperwork. Any extension or additional paperwork will be subject to a **\$75.00** fee. This fee must be paid in advance and may take up to 7-10 business days to be completed.

Medical Records – Records can be released for a fee of \$10.00. This fee must be paid in advance. All medical record requests are subject to be denied per office policy. Record request may take up to 7-10 business days to be completed.

Messages - Messages will be returned in the order of which they are received, however if it is an emergency, please call 911.

Patients 17 and under must be accompanied by a parent or legal guardian to all medication management appointments and other treatment services.

Compliance Assurance Notification

All health professionals and office staff continuously undergo training so that they may understand and comply with government rules and regulations regarding the Health Insurance Portability and Accountability Act (HIPAA) with particular emphasis on the "Privacy Rule." We strive to achieve the highest standards of ethics and integrity in performing services for our patients. It is our policy to properly determine appropriate uses of Personal Health Information (PHI) in accordance with HIPAA. We are required by law to maintain the privacy of, and provide individuals with this notice of our legal duties and privacy practices with respect to PHI. We want to ensure our patients that our practice will not knowingly contribute in any way to the growing problem of improper disclosure of PHI. As part of this plan, we have implanted a Compliance Program that will help prevent any inappropriate use of PHI. Any questions regarding this policy may be directed to the Office Manager.

Urine Screen FAQ

Why are you asking me to provide a urine sample?

For your safety, this office is complying with suggested Federal guidelines. Many physicians feel that drug testing allows the clinic ensure the highest level of patient safety. This drug monitoring program will this office to:

- Understand the actual levels of drugs present in a patient
- Identify dangerous drug to drug cross-reactivity
- Monitor compliance with treatment plans
- Help physicians, staff, and patients to be safe

How often will I have to do this?

This office will comply with federal guidelines that require physicians to limit patient drug diversion. Patients are subject to random drug testing.

How was I chosen?

Since this drug monitoring program applies to new and existing patients, this office will collect samples from ALL patients initially, as well as perform random collections for all patients who are prescribed controlled substances.

Who will see the results?

Our office staff and lab personnel are authorized to view your lab results.

What's going to happen if the lab results come back negative?

What the results show and the actions taken because of the results, is up to the physician.

**** It is CEH policy that we cannot prescribe medication to patients that fail a drug test or have a prior history of substance abuse. We will be able to assist in alternative medications to treat patients.**

_____ I consent to drug testing.

_____ I do not consent to drug testing. By checking this option, I will not receive any controlled medications.

I have reviewed this form and agree to the CEH policy above.
